ADDENDUM NO. 1

CITY OF PASS CHRISTIAN, MISSISSIPPI  
SPLASH PAD CONSTRUCTION PROJECT

This Addendum is hereby made a part of the Contract Documents to the same extent as though it were originally included therein. Receipt of this Addendum must be acknowledged in the space designated in the Proposal. Contractors are also requested to acknowledge receipt of this Addendum by signing on the form provided and returning via FAX to City Clerk, at 228-452-5435 or email at dsanders@ci.pass-christian.ms.us.

1. The bid receipt and opening date is being changed to February 15, 2017, at 2PM. The bids will be opened and read aloud by the City Clerk or her designee at that time and referred to the City Attorney and City Engineer and recommendation for award at a later City meeting.
2. The attached drawings for three play features were inadvertently eliminated from the bid package.
3. The design for the project calls for a two-inch water service to be available at the northern boundary of the site near the public sidewalk. The existing water service is not large enough. The City will install at its own expense a two-inch water service to the site.
4. The contractor is required to provide an electrical service to the Project. There is an existing electrical service on a telephone pole near the public sidewalk adjacent to the site for use by the City for Xmas ornaments. The Contractor will be expected to create and provide a separate electrical service at its own expense from this same location. The contractor will not be allowed to use the existing electrical service and outlet for the Xmas ornament display.
5. The existing design drawings fail to indicate the controller and enclosure for same are to be located South and West of the Splash Pad and near (but outside of) the existing storage shed at the project site. New and revised drawings are being obtained and will be provided to potential bidders upon receipt. The underground drainage will continue to extend out from Splash Pad to the North and West down to the City's public sidewalk and the NW corner of the City Memorial Park.
