FOOTPRINT®

START WITH THE BASICS

A well-built design strategy calls for a solid foundation. Footprint provides the basic, fundamental elements from which to build. Simply assemble worksurfaces, storage units, support elements, and mobile pieces to form a variety of configurations based on your needs. Footprint keeps solutions simple—from the start.

MIX AND MINGLE

With numerous options and integrated compatibility, Footprint is inherently versatile. An extensive offering of coordinated details, materials, and finishes allows Footprint to deliver greater flexibility and aesthetic cohesiveness to every solution. Mix Footprint components with other products from our portfolio for even more application opportunities. No matter what the space requirements are, Footprint can easily adapt.
