The only items that will be included in the panel systems furniture contracts are powered and non-powered panels, hang-on components, accessories, such as tackboards, keyboard drawers, task lights, etc., and complimentary storage units which do not conflict with the Lateral and Vertical Steel File Cabinet competitive bid contract. The only exception to this rule is if file cabinets are being purchased for use within a specific workstation.

Purchase Orders prepared by these authorized purchasers shall include this State Contract Agreement Number referenced above.

PRICE GUARANTEE: The prices established herein shall prevail for the term of this Agreement, except in the event of a general market decline in prices of such commodities at any time during the period of this Contract, the Contractor agrees that the State of Mississippi shall receive full benefit of such decline.

The percent discount offered to the State shall be a minimum of 40% off the list price for all panel systems delivered and installed and agencies are expected to negotiate deeper discounts based on volume spend.

Orders will be limited to the MOL (maximum order limitation) limit of \$500,000 net purchase price after discount.

The State agrees to notify all authorized purchasers of the existence of this Contract and to give the specific instructions relative to the procedures to be followed in making purchases under the provisions hereof.

Entities making purchases over \$50,000 may consider obtaining two competitive quotes from the authorized dealers' list on this manufacturer's contract. If this manufacturer does not have a dealers' list, the manufacturer should be prepared to submit a quote.

PAYMENT TERMS: Net Forty-five (45) days Without Penalty

PAYMENT: Payment for commodities or equipment purchased under the provisions of this Contract shall be made to the Contractor or to the authorized dealer making delivery in accordance with Miss. Code Ann. §§ 31-7-301, et seq. (as amended). Such payment is to be made only upon receipt, by the authorized purchaser, of properly certified invoices, which are priced strictly in accordance with the pricing provisions of this Contract.

QUANTITY TO BE PURCHASED: It is understood and agreed that the Contractor is entering into this Agreement as a multiple source of supply without any guarantee from the State as to the quantity of the items covered by this Contract that might be ordered during the specified period.

TRANSPORTATION TERMS: All freight and shipping costs are the responsibility of the Vendor and are not reimbursable. Transportation terms shall be F.O.B. On orders less than \$1000 the freight only charge shall be prepaid by the vendor and may be added to the invoice. The vendor must include proof of actual shipping charges with the invoice. Cost of design fees are not considered a part of this agreement and must be negotiated with the buying entity.

In the State's sole discretion, Contractor may be allowed to control the defense of any such claim, suit, etc. In the event Contractor defends said claim, suit, etc., Contractor shall use legal counsel acceptable to the State; Contractor shall be solely liable for all reasonable costs and/or expenses associated with such defense and the State shall be entitled to participate in said defense.
