Vendor represents that it has not retained a person to solicit or secure a state contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except as disclosed in Vendor's bid/proposal.

14. **AVAILABILITY OF FUNDS:** It is expressly understood and agreed that the obligation of the Commission to proceed under this Agreement is conditioned upon the appropriation of funds by the Mississippi Legislature, and/or the receipt of State and/or federal funds. If the funds anticipated for the continuing fulfillment of the Agreement are, at any time, not forthcoming or insufficient, either through the failure of the federal government to provide funds or the State of Mississippi to appropriate funds, or the discontinuance or material alteration of the program under which funds were provided or if funds are not otherwise available to the Commission, the Commission shall have the right to terminate this Agreement without damage, penalty, cost or expenses to the Commission of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

15. STOP WORK ORDER

- a. *Order to Stop Work:* The Commission, may, by written order to Contractor/Vendor at any time, and without notice to any Surety, require Contractor/Vendor to stop all or any part of the work called for by this Contract. This order shall be for a specified period not exceeding 90 days after the order is delivered to Contractor/Vendor, unless the parties agree to any further period. Any such order shall be identified specifically as a stop work order issued pursuant to this clause. Upon receipt of such an order, Contractor/Vendor shall forthwith comply with its terms and take all reasonable steps to minimize the occurrence of costs allocable to the work covered by the order during the period of work stoppage. Before the stop work order expires, or within any further period to which the parties shall have agreed, the Commission shall either:
 - i. Cancel the stop work order; or,
 - ii. Terminate the work covered by such order as provided in the Termination for Default clause or the Termination for Convenience clause of this Contract.
- b. *Cancellation or Expiration of the Order:* If a stop work order issued under this clause is canceled at any time during the period specified in the order, or if the period of the order or any extension of thereof expires, Contractor/Vendor shall have the right to return to work. An appropriate adjustment shall be made in the delivery schedule or Contractor price, or both, and the Contract shall be modified in writing accordingly, if;
 - i. the stop work order results in an increase in the time required for, or in the Contractor's cost properly allocable to, the performance of any part of this Contract and,
 - ii. Contractor/Vendor asserts a claim for such an adjustment within 30 days after the end of the period of work stoppage; provided that, if the Chief Procurement Officer decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this Contract.
- c. *Termination of Stopped Work:* If a stop work order is not canceled and the work covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop work order shall be allowed by adjustment or otherwise.
- d. *Adjustments of Price:* Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment clause of this Contract.

16. TERMINATION FOR CONVENIENCE

- a. *Termination.* The Commission or designee may, when the interests of the Agency so require, terminate this Contract in whole or in part, for the convenience of the Agency. The Commission or designee shall give written notice of the termination to Contractor/Vendor specifying the part of the Contract terminated and when termination becomes effective.
- b. *Vendor's Obligations.* Vendor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination Contractor/Vendor will stop work to the extent specified. Contractor/Vendor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. Vendor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Commission or designee may direct Vendor to assign Vendor's right, title, and interest under terminated orders or subcontracts to the State. Vendor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

17. TERMINATION FOR DEFAULT

- a. *Default.* If Vendor refuses or fails to perform any of the provisions of this Contract with such diligence as will ensure its completion within the time specified in this Contract or any extension thereof, or otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this Contract, the MTC or designee may notify Vendor in writing of the delay or nonperformance and if not cured in ten (10) days or any longer time specified in writing by the MTC or designee, the MTC may terminate Vendor's right to proceed with the Contract or such part of the Contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the MTC or designee may procure similar supplies or services in a manner and upon terms deemed appropriate by the MTC. Vendor shall continue performance of the Contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.
 - b. *Vendor's Duties.* Notwithstanding termination of the Contract and subject to any directions from the MTC or designee, Vendor shall take timely, reasonable, and necessary action to protect and preserve property in the possession of Vendor in which the MTC or MDOT has an interest.
-

- c. *Compensation.* Payment for completed services delivered and accepted by the State shall be at the contract price. The State may withhold from amounts due Vendor such sums as the MTC deems to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders and to reimburse the MTC and MDOT for the excess costs incurred in procuring similar goods and services.
- d. *Excuse for Nonperformance or Delayed Performance.* Except with respect to defaults of subcontractors, Vendor shall not be in default by reason of any failure in performance of this Contract in accordance with its terms (including any failure by Vendor to make progress in the prosecution of the work hereunder which endangers such performance) if Vendor has notified the MTC or designee within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the Vendor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit Vendor to meet the contract requirements. In such a case, MDOT may, upon the request of the Vendor, revise the delivery schedule accordingly.
- e. *Erroneous Termination/or Default.* If, after notice of termination of Vendor's right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default, or that the delay was excusable under the provisions of the prior paragraph (Excuse for Nonperformance or Delayed Performance), the rights and obligations of the parties shall be the same as if the notice of termination had been one of termination for convenience.
- f. *Additional Rights and Remedies.* The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this Contract.

18. **TERMINATION UPON BANKRUPTCY** This Contract may be terminated in whole or in part by the Commission upon written notice to Contractor/Vendor, if Contractor/Vendor should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by Contractor/Vendor of an assignment for the benefit of its creditors. In the event of such termination, Contractor shall be entitled to recover just and equitable compensation for satisfactory work performed under this Contract, but in no case shall said compensation exceed the total contract price.

19. **ATTORNEY'S FEES AND EXPENSES.** Subject to other terms and conditions of this agreement, in the event Vendor defaults in any obligations under this agreement, Vendor shall pay to the MTC all costs and expenses (including, without limitation, investigative fees, court costs, and attorney's fees) incurred by the MTC or MDOT in enforcing this agreement or otherwise reasonably related thereto. Vendor agrees that under no circumstances shall the MTC or MDOT be obligated to pay any attorney's fees or costs of legal action to Vendor.
20. **FAILURE TO ENFORCE.** Failure by the MTC at any time to enforce the provisions of the contract shall not be construed as a waiver of any such provisions. Such failure to enforce shall not affect the validity of the contract or any part thereof or the right of the MTC to enforce any provision at any time in accordance with its terms.
21. **INDEMNIFICATION.** To the fullest extent allowed by law, Vendor shall indemnify, defend, save and hold harmless, protect, and exonerate the MTC and MDOT, and their commissioners, officers, employees, agents, and representatives, and the State of Mississippi from and against all claims, demands, liabilities, suits, actions, damages, losses, and costs of every kind and nature whatsoever including, without limitation, court costs, investigative fees and expenses, and attorney's fees, arising out of or caused by Vendor and/or its partners, principals, agents, employees and/or subcontractors in the performance of or failure to perform this agreement. In the MTC's sole discretion, Vendor may be allowed to control the defense of any such claim, suit, or other matter. In the event Vendor defends said claim, suit, or other matter, Vendor shall use legal counsel acceptable to the MTC. Vendor shall be solely responsible for all costs and/or expenses associated with such defense, and the MTC and MDOT shall be entitled to participate in said defense. Vendor shall not settle any claim, suit, or other matter without the MTC's concurrence, which the MTC shall not unreasonably withhold.
22. **INTEGRATED AGREEMENT/MERGER.** This agreement, including all contract documents, represents the entire and integrated agreement between the parties hereto and supersedes all prior negotiations, representations or agreements, irrespective of whether written or oral. This agreement may be altered, amended, or modified only by a written document executed by the MTC and Vendor. Vendor acknowledges that it has thoroughly read all contract documents and has had the opportunity to receive competent advice and counsel necessary for it to form a full and complete understanding of all rights and obligations herein. Accordingly, this agreement shall not be construed or interpreted in favor of or against the MTC or Vendor on the basis of draftsmanship or preparation hereof.

23. **PRIORITY.** The contract consists of these Contract Terms and Conditions, the RFX [RFX 314002590] hereinafter "RFX". The RFX, including the "NOTICE AND INSTRUCTIONS" and any attachments thereto (including, but not limited to, the Specifications, which are Attachment B to the "NOTICE AND INSTRUCTIONS"), as well as Vendor's bid/proposal in response are fully incorporated by reference herein as if set forth in letters and figures. Any ambiguities, conflicts or questions of interpretation of this contract shall be resolved by first reference to these Contract Terms and Conditions, the RFX and, if still unresolved, by reference to the bid/proposal. Omission of any term or obligation from this agreement or attached Tabulation shall not be deemed an omission from this contract if such term or obligation is provided for elsewhere in this contract.

24. **TAXES.** The Vendor is liable for all taxes. Sections 27-65-1, *et seq.*, and 27-67-1, *et seq.*, of the Mississippi Code exempt the Commission and other State institutions from State sales and use taxes. Likewise the Commission will not pay excise or personal property taxes and if the Vendor is liable for these they should be taken into consideration in formulating the pricing of bids. It is the Vendor's responsibility to contact local taxing authorities in the State and county where equipment will be located to determine possible taxing liabilities in connection therewith.

25. **NOTICES.** All notices required or permitted to be given under this Agreement must be in writing and personally delivered or sent by certified United States mail, postage prepaid, return receipt requested, to the party to whom the notice should be given at the address set forth below.
