

**ADVERTISEMENT
FOR BID
NESHOPA COUNTY, MISSISSIPPI**

The NESHOPA COUNTY BOARD OF SUPERVISORS will receive competitive, sealed bids in the Office of Chancery Clerk of the Board of Supervisors of Neshoba County, Mississippi at the Neshoba County Courthouse, 401 Beacon Street, Suite 107, in Philadelphia, Mississippi until 1:30 p.m. on September 12, 2016 for the construction of the following in support of Neshoba County's State Aid Project SAP-50(13)S – Base Repair, Leveling, Reseal, Striping & Signing of Roads "A" to "H".

1. Contract for Construction of Hot Mix Asphalt Edge Repair and Leveling on existing On-System State-Aid County Roads.
2. Contract for Construction of Permanent Traffic Control Signage.
3. Contract for Construction of Traffic Striping and Raised Markers.
4. Contract for Providing and Delivery of Liquid Asphalt CRS-2.
5. Contract for Providing of Crushed Limestone Aggregate (F.O.B. Vendor's Plant).

Bids submitted for the construction items and materials above shall be for a period from the date of acceptance to Neshoba County's completion of SAP-50(13)S.

Detailed specifications for the above described and sought material as well as bid forms may be obtained from the Board of Supervisor's office at the Neshoba County Courthouse, 401 Beacon Street, Suite 201, Philadelphia, MS 39350 or by calling 601-656-6281 or on our website at www.neshobacounty.net. Neshoba County, Mississippi will determine if compliance with the specifications exist before accepting any bid.

INSTRUCTIONS TO BIDDERS

All bids shall be on Neshoba County Bid Form, be placed in a sealed envelope marked "On-System County Road Maintenance – 2016" and filed with the Neshoba County Board of Supervisors c/o Chancery Clerk Guy Nowell, 401 Beacon Street, Suite 107, Philadelphia, MS 39350.

It shall be incumbent upon each bidder to understand the specifications as listed herein and to obtain clarification when necessary.

Bidders may submit bids for one or more construction items or materials.

Published by Order of the Board of Supervisors of Neshoba County, Mississippi on the 1st day of August, 2016.

NOTICE TO BIDDERS

The Neshoba County Board of Supervisors will receive sealed bids at the Board Room in the Neshoba County Courthouse, Philadelphia, MS, until 1:30p.m. on September 12, 2016, and shortly thereafter publicly open the same for contracting Hot Mix Asphalt Edge Repair and Leveling on On-System State – Aid Roads for the use and benefit of Neshoba County, said construction being on Roads “A” through “H” as specified on the Construction Plans for State-Aid Project SAP-50(13)S. The principal items of construction are as follows:

PAY ITEM #	ITEM	ESTIMATED QTY	UNIT
S-403-A	Hot Mix Asphalt (ST) (9.5 mm) (Edge Repair)	170	Ton
S-403-B	Hot Mix Asphalt, (ST) (9.5 mm), (Leveling)	3290	Ton

GENERAL NOTES

- A. Specified work shall be in accordance with the Construction Plans for SAP-50(13)S and the corresponding specifications (referenced to each item’s pay item #) in the Mississippi Standard Specifications for State Aid Road and Bridge Construction, 2004 Edition and applicable notice to bidders, special provisions, and supplemental specifications contained herein.
- B. Contractor proposes to furnish all necessary machinery, tools, apparatus and other means of construction and do all the work and furnish all the materials in the manner specified.
- C. Quantities listed are approximate only and are subject to either increase or decrease, and Contractor proposes to perform any increased or decreased quantities of work at the unit price bid.
- D. See enclosed Construction Plans for SAP-50(13)S for location of work and estimated quantities.
- E. All sealed bids shall be FOB job site, Philadelphia, Neshoba County, Mississippi, and must include any pre-delivery charges, mobilization, and all charges of manufacturing, delivery, and placement of the materials in the locations specified.

Basis of Award: The award, if made, will be made to the qualified contractor submitting the lowest and best bid, said award being based on the most economical bid unit prices for the items involved.

Detailed specifications and bid form may be secured from Marty Crowder, Neshoba County Engineer, P.O. Box 1209 Ackerman, MS 39735 (Tel. 662-285-2062).

It is hereby understood that the sealed bid unit prices shall remain in effect throughout the duration of project SAP-50(13)S.

No fuel adjustment compensation will be made; Actual bid unit prices will be used as the basis for payment.

Certified check or Bid Bond for five percent (5%) of the total bid, made payable to Neshoba County must accompany each proposal. A Contract Bond (performance and payment bond) shall be required of the successful bidder before award of the contract for this work. The successful bidder shall submit a certificate of liability insurance to Neshoba County before award of the contract for this work.

The Board of Supervisors hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this advertisement and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

Bidders are hereby notified that any bid proposal accompanied by letters qualifying in any manner the conditions under which the bid proposal is tendered will be considered an irregular bid, and such proposal will not be considered in making the award.

The Neshoba County Board of Supervisors reserves the right to reject any and all bids and waive any informality.

Kevin Cumberland, President

Neshoba County Board of Supervisors

Bid For CONSTRUCTION OF HOT MIX ASPHALT EDGE REPAIR AND LEVELING

Proposal of _____

Being located in _____

Hereby submits the following Unit Prices for the Constructions of Hot Mix Asphalt Edge Repair and Leveling in support of State Aid Project SAP-50(13)S – Base Repair, Leveling, Reseal, Striping and Signing of Roads “A” to “H” in Neshoba County, Mississippi to the Neshoba County Board of Supervisors, Philadelphia, Mississippi.

UNIT BID					
<u>Pay Item No.</u>	<u>Item</u>	<u>Approx Qty</u>	<u>Unit</u>	<u>Unit Price</u>	<u>Item Total</u>
5-403-A	Hot Mix Asphalt (ST) (9.5mm) (Edge Repair)	170	Ton	_____	_____
5-403-B	Hot Mix Asphalt (ST) (9.5mm) (Leveling)	3290	Ton	_____	_____
	Total Bid				_____

Notes:

1. It is understood that the above Unit Prices shall remain in effect throughout the duration of project SAP-50(13)S.
2. Total Contract Time for project SAP-50(13)S is 120 Working Days.
3. The work is to be accomplished as indicated on the plans for project SAP-50(13)S and in accordance with the Mississippi Standard Specifications for State Aid Road and Bridge Construction, 2004 Edition.
4. A Certified Check or Bid Bond for Five Percent (5%) of the total bid is required to be submitted with this bid. The Bidder understands and hereby agrees that in case of the Bidder’s failure to execute the contract and furnish bond within fifteen (15) days after notice of award, the amount of the Certified Check or Bid Bond will be forfeited to Neshoba County, Mississippi as liquidated damages arising out of Bidder’s failure to execute the contract as proposed. It is understood that if the Bidder is not awarded the work, the Certified Check will be returned as provided in the Specifications.
5. The Bidder awarded this work shall be required to provide a Contract Bond (Performance/Payment Bond) with a penal sum equal to the full dollar amount of the contracted work. The form of the bond or bonds shall that provided by Neshoba County. The bond or bonds shall be negotiated for, procured from, signed or countersigned by, and the premium paid to a qualified Mississippi resident agent of the Surety.
6. Quantities listed are approximate and final pay quantity will be based on as-built measurement.
7. The Bidder awarded this work shall carry public liability and property damage insurance that meets or exceeds the requirements specified in Section S-103.06 of the Mississippi Standard Specifications for State Aid Road and Bridge Construction, 2004 Edition.

8. All materials incorporated into the project construction are to be tested and supported by satisfactory test reports. Marty Crowder, P.E., Neshoba County Engineer, will be testing all work.
9. Marty Crowder, P.E., Neshoba County Engineer, will be preparing all monthly estimates. Two and one-half percent (2.5%) of the value of the work performed and materials furnished will be retained until final quantities are approved by the State Aid Engineer for this project.
10. To be awarded a contract for public work, Sections 31-3-15 and 31-3-21 of the Mississippi Code of 1972, Annotated requires a Contractor to have a current Certificate of Responsibility at bid time and during the length of the job. If a Bidder submits a bid not exceeding \$50,000, no Certificate of Responsibility number is required; however, a notation stating the bid does not exceed \$50,000 must appear on the face of the envelope, or a Certificate of Responsibility number. Each Bidder submitting a bid in excess of \$50,000 must show its Certificate of Responsibility number on the bid and on the face of the envelope containing the bid.
