MAKES EVEN THE BIGGEST JOBS A BREEZE

Cub Cadet's powerful, high-performance Commercial Blowers make quick and easy work of leaf debris and yard clean up. With unique air discharge control options and available self-propelled functionality on select models, there are options for every application.

INDUSTRY-LEADING FEATURES. THAT'S THE STRENGTH OF THE **CUB CADET ADVANTAGE.**

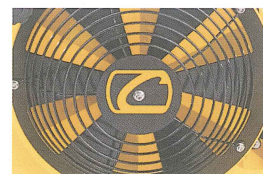

ROTATING AIR NOZZLE

Electronic rocker switches allow for 180 degree rotation of the air discharge nozzle, eliminating the need to pull the unit backwards when blowing in one direction.

LARGE "IRIS" ADJUSTABLE AIR INTAKE

Allows for control of airflow from 0-100%, ensuring you have just the right amount of airflow to get the job done without disrupting flowerbeds and mulched areas.

SELF-PROPELLED FUNCTIONALITY

Enhanced maneuverability with six operating speeds on self-propelled model, along with two reverse speeds.
