STATE CONTRACT NO. 8200003833

SMART CONTRACT NO. 1130-14-C-SWCT-00333*

OPTFM has listed a state contract number and a state contract *smart* number. The contract number is an automatically generated number. The smart number is a more unique identifier that lists OPTFM's agency's number, contract year and shows agencies that it is a statewide contract. Also there is an asterisk listed at the end of the smart number. The asterisk is added at the end of the number for searchable purposes only; this is because each time a contract is changed, the Version number of the contract changes. It is not actually a part of the smart number. Either number can be used by agencies to search for this contract in the State's e-procurement system.

CONTRACTOR: AutoZone Mississippi, Inc.
(Please use Supplier No. 3100033996
when ordering.)

DATE: October 31, 2014

ITEMS: Automotive Parts and Equipment

EFFECTIVE: November 1, 2014
through
October 31, 2015

A. AUTHORITY

This certifies that a contract has been executed between the Department of Finance and Administration, Office of Purchasing, Travel and Fleet Management for the State of Mississippi and the herein designated Contractor pursuant to Section 31-7-7, Mississippi Code of 1972, Annotated, for the items specified herein.

B. EFFECT

During the term of this contract no purchase of automotive parts and equipment manufactured and/or distributed by the above-designated Contractor shall be made by state agencies at a price in excess of that established by the prices set out in this regulation (See Section "F").

Commodities purchased under provisions of this contract from the above Contractor or his authorized distributors shall be exempt from competitive bid requirements otherwise applying to purchases by the state agencies, counties, municipalities and other political subdivisions.

C. PURCHASE ORDERS

Purchase orders prepared by the various state agencies shall show the state contract number on the P. O. in the designated space, quantity, description of the items and prices, also shipping or delivery instructions, if any.

D. PAYMENT

The supplier shall be paid by the ordering agency upon submission of properly certified invoices or vouchers for articles or services delivered and accepted less deductions if any, as provided.

E. ORDERING

Purchasers shall order in such quantities as required. Purchase orders are to be directed to address of Contractor or Distributors shown in Section "J". The Bureau of Financial Control of the State shall not approve any account nor order and direct payment of any account for the purchase of any commodity covered by this contract certification when the purchase price is in excess of the maximum price fixed in this purchasing regulation.

F. PRICES

Prices for the new period are set forth as follows: Pricing is based on WSCA Master Price Agreement #5-09-99-28. In order to obtain the MS state pricing, Auto Zone requires that an account number must be established to receive a PIN number before ordering. This can be accomplished by contacting the AutoZone Customer Care Center at 866-727-5317 or by email at MShelp@autozone.com. Once an account number is established, an AutoZone Commercial store is designated as your agency's "home store", and a user name and password can be created. Ordering can then take place via phone, walk-in, or online at www.AutoZonePro.com, (your specific user name and password will be needed for online ordering). During the account set up process, it is important that your agency/governing authority let AutoZone know: 1.) Should your agency be setup as tax exempt, (must have your 9-digit Federal Tax ID #); 2.) Should the account be set up Net 45, (if Net 45, please inform AutoZone if the billing address is different than the delivery address). Once your agency has been issued an AutoZone account #/ "PIN#", state contract pricing can be obtained from any AutoZone store in the state as long as the agency's employee presents the account # /"PIN#" at the time of transaction, (for in-store purchasing). The account "PIN" is not necessarily needed for phone orders placed with the AutoZone "home store".

Any item covered by a competitively bid contract with the Office of Purchasing, Travel and Fleet Management will not be included in this agreement. The list of items that are specifically excluded shall include, but not be limited to the following: Automotive Batteries, Tires and Tubes and Vehicle Lifts.

Entities making purchases over \$50,000 may consider obtaining two competitive quotes from authorized dealers' list on a manufacturer's contract. When requested, those manufacturers that do not have dealers' list should be prepared to submit a quote.

G. TRANSPORTATION

F.O.B. destination, freight prepaid

H. POLITICAL SUBDIVISIONS - COUNTIES, MUNICIPALITIES, SCHOOLS, ETC.

This contract provides that the provisions thereof may be available to any county, municipality, school board or other local public agency or authority of the State of Mississippi which may elect to purchase at the prices, terms and conditions of sale specified therein.

Any such agency or political subdivisions electing to purchase as herein provided shall write the following on the face of the purchase order:

"P. O. issued pursuant to provisions of
Mississippi State Contract No. 8200003833."
Contract Smart No. 1130-14-C-SWCT-0333*
