1. AUTHORITY

- 1.1 This certifies that a contract has been executed between the Office of Purchasing and Travel, an office of the Department of Finance and Administration for the State of Mississippi and the herein designated contractor or contractors pursuant to Section 31-7-7, Mississippi Code of 1972, Annotated, for the commodities specified herein.

2. APPLICATION

- 2.1 All purchases made by state agencies for commodities included under the provisions of these contracts shall be purchased under the terms of these contracts unless exempt by special authorization from the Office of Purchasing and Travel.

Under the provisions of Section 31-7-7 Mississippi Code of 1972, Annotated, the prices offered herein may be extended to the governing authorities. 3. RESTRICTION

3.1 Commodities not specifically listed herein may not be purchased under the provisions of these contracts. It shall be understood that these contracts supersede all other contractual agreements applicable to the commodities covered herein.

4. TRANSPORTATION

4.1 Freight F.O.B. Agencies and Governing Authorities: All quotations shall be f.o.b. destination except as noted below. The term f.o.b. destination shall mean delivered inside any state agency and when applicable, any local government agency within the State of Mississippi, with all charges for transportation and unloading paid by the contractor.

4.2 Minimum Order Quantity: All orders shall be for case quantities. No broken cases will be allowed. The minimum order quantity is \$100. State agencies purchasing less than \$100 will not be required to buy from the contract vendor. Vendors may honor the price for orders of less than \$100.

4.3 Delivery: The Contractor shall be required to maintain or to have available for his own use an inventory sufficient to make shipment within fifteen (15) days after receipt of order. If adverse conditions exist, this time frame could be modified slightly as circumstances warrant.

All deliveries are subject to the inspection, count, weight, measurement, and test of the Office of Purchasing and Travel. If latent defects are discovered after paper has been accepted, the defective portion will be rejected and the contractor will be required to replace it within a time limit fixed by the buying agency. Any unsatisfactory shipment shall be returned to the contractor, FREIGHT COLLECT.

4.4 Special Delivery: Orders may be placed that require special handling that incurs extra charges. Examples of special delivery are delivery to P. O. located within the State of Mississippi, or delivery by special carrier; for example, air freight. When such orders are incurred, the contractor shall prepay and may enter the charges that are in excess of normal charges on the invoice as a separate item for payment by the ordering agency. A copy of these charges must accompany the invoice.

5. OTHER INFORMATION

5.1 **Contract Format:** OPTFM has listed a state contract number and a state contract *smart* number. The contract number is an automatically generated number. The smart number is a more unique identifier that lists OPTFM's agency's number, contract year and shows agencies that it is a statewide contract. Also there is an asterisk listed at the end of the smart number. The asterisk is added at the end of the number for searchable purposes only when searching in MAGIC; this is because each time a contract is changed, the Version number of the contract changes. It is not actually a part of the smart number. Either number can be used by agencies to search for this contract in the State's e-procurement system.

5.2 **Procurement Card Services:** Vendors awarded commodities on the office papers contracts will accept the procurement card for purchases of contract items.

6. ORDERING

6.1 **Purchase Order Information:** In writing the purchase order it will be necessary that you include the following information referencing the product.

- A. Vendors Name
- B. Contract Number
- C. Effective Dates
- D. Item Name
- E. Item Number
- F. Brand
- G. Quantity
- H. Unit Price (each, per case, per gal., per lb., etc.)
- I. Total Price

7. CONTRACT ADMINISTRATION
