**Question 1:** Can we bid on Yupo Accel Fast Dry paper for offset printing rather than Yupo Original?

**Answer:** Yes for the text and picture pages. However, Yupo Accel is not available in the 100# cover weight required for the MRS dividers, so the dividers must be printed on Yupo Original.

**Question 2:** Can we bid on Yupo Blue for Indigo digital printing rather than Yupo Original/Yupo Accel Fast Dry for offset printing?

**Answer:** No. There is an ink durability concern with the digital inks.

**Question 3:** Will you be able to provide the shipping information presented in the RFB in an excel spreadsheet for the awarded printer?

**Answer:** Yes.
