MISSISSIPPI DEPARTMENT OF PUBLIC SAFETY

SPECIFICATIONS

All bids must meet or exceed the minimum specifications as set forth in this Invitation to Bid.

- The rifle scope must have a magnification of 5 to 25x on a 56mm tube which gives the operator a large field of view even at full magnification.
- The scope must have a feature exclusive to Night Force call Zerostop. This feature allows the user to set a zero and return to it without fear of dialing the wrong setting.
- The scope must also have an illuminated reticle which allows for precise shots at low or no light. The reticle should be etched into the glass and not hanging in the scope which makes the rifle scope much more durable.
- The reticle must be on a first focal plane which maintains extreme accuracy no matter which magnification setting is used.
- The scope must be waterproof, shockproof and fog-proof.
- The scope must also come with a limited lifetime warranty.
