

SICO ARMOR-EDGE® FLT

Extra heavy-duty SICO Armor-Edge® treatment has a proven track record for long-term durability. No gaps or seams to trap food.

Seamless one-piece 5/8" (1.6cm) plywood core with sealed plywood veneer surface or high-grade laminates.

Tough and flexible leg stops protect the finish on the legs when tables are stacked for storage.

1-1/4" (3cm) / 18 gauge (1.2mm) painted black top frames with extension arms for support are attached to the top with expansion rivets, not screws which can work loose over time.

Legs nest within one another to hold in the folded position.

1-1/4" (3cm) / 18 gauge (1.5mm) painted black legs are fixed height with a plastic, non-adjustable glide. 1-3/16" frame and legs on oval, quarter, and half-round shapes.

Aircraft lock-nuts & bolts are used at all pivot points. Remain tight and can't work loose.

Positive lock ensures engagement in fixed position.

Replace ?? in model # with code for plywood, or laminate color.*

Model Numbers	Sizes (all 30" / 76cm high)	Weight
C7211-183-1??BN	18" x 72" Rectangle (46cm x 183cm)	41 lbs. (19kg)
