 department that is committed to your satisfaction.*

*Responsibly designed products with a focus on the
 environment, features and value.*

*Complete space rendering services offered with
 our 20-20 Technologies and Visual Impressions
 software. Send us your space, we'll fill it.*

OFM is Eco Friendly

Here at OFM we believe that it is imperative to “give more than we take”.

Our commitment to preserving a low carbon footprint begins in our factories and ends in the office, even if that office is..... next to your favorite tree, next to your favorite lake.

Anywhere you call the ‘office’ will have the security of low emissions products with recycled, reusable and recyclable materials.

Enjoy.

Today’s spaces and those using them, are more conscious of the air quality and overall productivity of their environment. This is why OFM has gone the extra mile to certify over 100 products GreenGuard® Certified. What this means is that these products have been inspected and tested for their low emissions and are considered better choices for homes, offices, children and schools.

We continue to be granted both the Standard and Gold certifications. Keeping people safe and happy are at the top of our ‘priority’ list.

Graphite

Durable, classic and stylized, it's the perfect combination for making a grand statement in your office space.

Finished in your choice of thermofused melamine in Cherry or Walnut, with Maple and Graphite as special order.

modular furniture / tables, desks, workstations, pedestal

named for its ability to be diverse, interchangeable, expandable and creative, our Modular Furniture is made up of multiple sizes of desks and tables, study carrels, privacy stations, pedestals, a credenza, a multi-purpose stand and accessories.

Modular is defined as a self-contained unit or item, as of furniture, that can be combined or interchanged with others like it to create different shapes or designs. We've created over 30 different pieces that all work together, allowing you to *reinvent* how your furniture works for you. *Specifications for this series can be found on page 14.*

Combine and interchange each piece to create a custom space.

Anytime. Anywhere.

You need a meeting table that works with you in every situation and these tables are both functional and adaptable. Each table has it's own distinctive intention and can be personalized with many choices of melamine and laminate finishes and sizes. Meeting your expectations is *our* job – so you can do *yours*.

New multi-purpose & café height tables // CFT, FT, LT, MT, XT

Functional. Durable. Versatile.

Excellent for lunch and meeting rooms, as well as restaurants.

New XT36RD

New XTC30RD

Shown with Endure Stool—920

Our Multi-Purpose and Café Height tables are part of the same family and work perfectly together or on their own. Multi-Purpose tables come in a 36" & 42" round or square top. Café Height tables come in a 24" & 30" round or square top. Both style tables share the same choice of 4 laminate finishes — Cherry, Gray Nebula, Mahogany and Oak. All table bases can be purchased separately.

See page 49 for table specifications.

FT42RD

The 'flip-top' feature allows the FT tables to be nested and stored away easily.

Crank it up (or down). It's your move.

T2X3

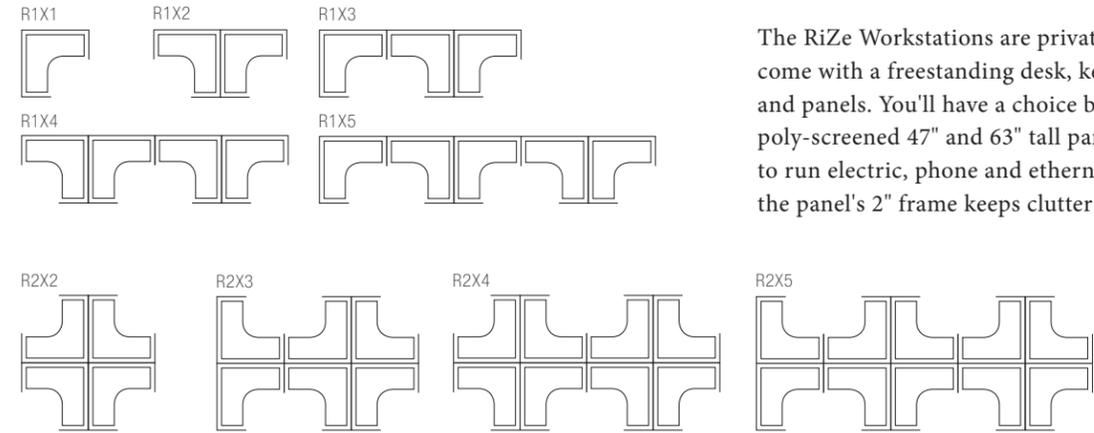

*Send us your space
and we will fill it.*

We offer complete space rendering services with our 20-20 Technologies and Visual Impressions software.

The RiZe Privacy Stations are a practical solution for the private, semi-private or shared workspace. Easily linkable, they can be *reconfigured* at any time. The 'no tools required' assembly makes it simple to expand your space by adding additional units.

Each station comes complete with a freestanding desk and panels. Optional mobile file pedestal (55106) is available for each station.

The RiZe Workstations are private cubicles that come with a freestanding desk, keyboard tray, and panels. You'll have a choice between solid and poly-screened 47" and 63" tall panels. The ability to run electric, phone and ethernet cables within the panel's 2" frame keeps clutter to a minimum.

20-20 VISUAL IMPRESSION

Space planning with the click of a button.

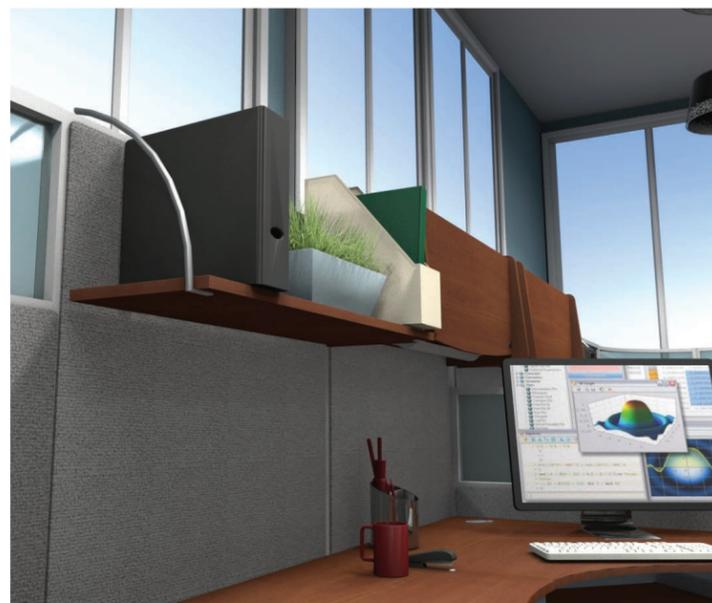

The entire OFM product line is available through 20-20 Technologies office design software.

Privacy and collaboration. RiZe gives you both!

Panels available in 47" & 63" heights and in 25", 31", 37", 48", 60" widths. The option of a full vinyl or vinyl/poly screen lets you customize the look of your space. Freestanding panel supports also available.

RiZe's 3 accessories consist of hanging open shelves, hanging cabinets with doors (both come in 2 widths), and an under-shelf task light.

Open Shelf = 100 lb. weight capacity
Hanging Cabinet = 125 lb. weight capacity

Let us show you how OFM furniture and accessories will fit in your office space or educational setting with the click of a button.

Created by 20-20 Technologies, a leader in the world of computer-aided design, the office interior design software is used by sales and design professionals throughout the commercial

furniture industry. Users are able to access an extensive library of manufacturers' catalogs to arrange their space with specific chairs, tables, workstations, and more. After laying out a space, the user can then create comprehensive reports at the click of a button, including bill of materials, customer quotes and vendor purchase orders.

You can expect this level of detail and customization using 20-20 Technologies and Visual Impressions for all of your specific space planning needs.

Let us help you *reimagine* the way you view furniture.

The element of surprise is always on your side when you choose the Distinct Series to impress. Stand out on your own, be Distinct.

distinct by definition means to be different and unique, separate from the others. *Refined* and defined, this series adapts to the office, reception room, lounge, common area, meeting area and anywhere else style is preferred.

With a choice of 3 anti-microbial/anti-bacterial PVC-free polyurethane colors, a 500 lb. weight capacity and the fact that it comes to you fully assembled, you will find it easy to find the best environment to show off.

Models: 831 (Chair)
31" H x 29" W x 30" D

832 (Sofa)
31" H x 59" W x 30" D

Look at me, stare, take your time, it's what I expect. I am here to make your experience the best it can be. I have 2 contemporary styles including a chair and sofa. I have grace with clean lines, a soft seat, fully supportive sturdy frame, nylon foot glides, chrome accented sled base, upholstered arms, and cream, taupe & black vinyl coverings. When all is said, I am here to make you look good and distinctly your own.....is it working?

Classic pieces with modern appeal combining sleek and simple design with functional versatility.

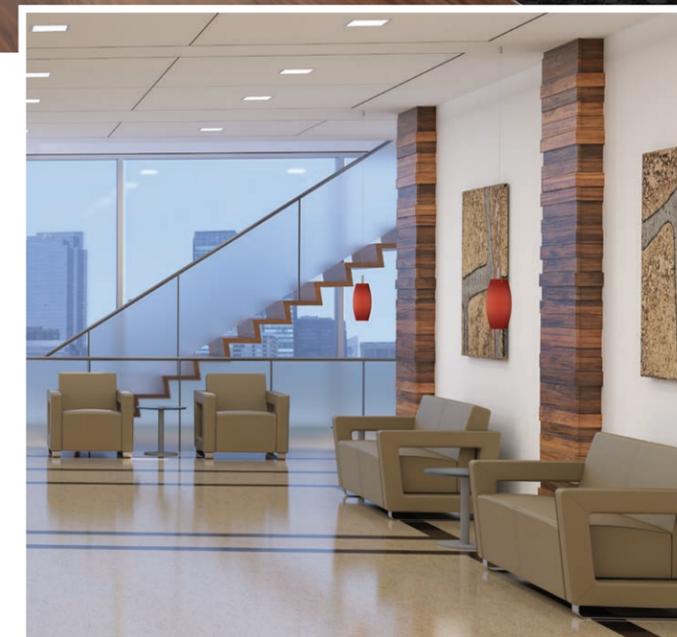

Je Restaurant/Bar/Lounge:
Shown here in both
Cream and Taupe.

There's something special about a series that fits seamlessly anywhere and everywhere. Enjoy the comfort of the Distinct Series while adding style and elegance to any space. The simple yet striking appearance makes this chair and sofa a must-have.

The library is a perfect place for the Distinct Series Chair and Sofa.

The Distinct Series makes it easy to mix & match styles and colors. With 2 styles and 3 classic colors to choose from, you can keep it light and airy with cream or taupe, while classic black works every time. Be creative and use different colors to define seating groups within a shared space.

interplay series / chair, sofa

The freedom to work without the trappings of an office is celebrated with Interplay.

InterPlay fits perfectly into the 'social seating' arena. Both the single-tablet chair and double-tablet sofa come in 4 covering & color options including all PVC-free polyurethane and a combination of fabric and PVC-free polyurethane. The swivel tablets are smartly finished in bronze or tungsten wood grain melamine. The 500 lb. weight capacity welcomes everyone to enjoy it. Standard lockable casters keep them in place until you feel the need to *rearrange* your space. Use the built-in handle at the back to easily move InterPlay around.

Hotel Lobby:
Shown below in Nickel/Black with Tungsten tablet.

Models: 821 (Chair)
33" H x 33"- 43" W x 32" D

822 (Sofa)
33" H x 62.25"- 82" W x 32.50" D

Tablet: 15" W x 11" D

Training Room:
Shown below in Plum/Taupe with Tungsten tablet.

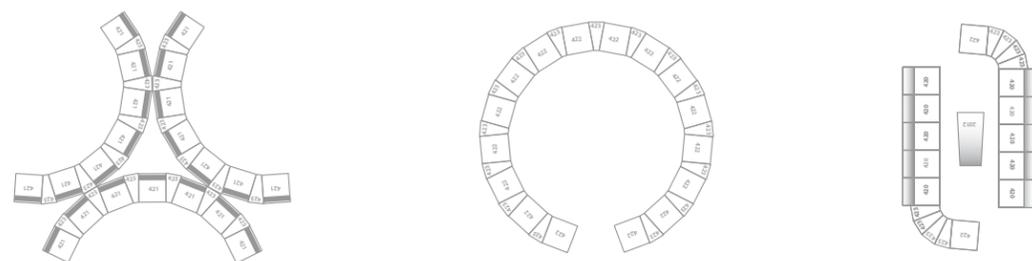

One simple design that meets the expectations of many!

Uno continues to expand. 4 models now make up this very versatile series. *Rethink* the notion of how one small change can effect all others. With a total of 8 fabric & PVC-free polyurethane color combinations, you will find it easy to combine them with existing pieces in your environments or create a new one of your own.

The configurations are endless and allow you to personalize your space. All come in anti-microbial/anti-bacterial PVC-free polyurethane, 250 lbs. weight capacity, chrome sled base legs with leveling glides.

New recoil chair

Unique design, unique style, unique uses... everything about Recoil stands out.

S

Strong, sturdy but flexible frames allow the back to flex helping to ensure the right amount of comfort. Padded arms in matching polyurethane gives them that extra something special. Our Recoil chairs are defined by their fun shape and colorful options. Let Recoil **recharge** your normal, everyday space.

Model: 841
31.50" H x 26.50" W x 30" D

Gameroom/Home Theater:

readyLink™ is the affordable and realistic option for linked group seating that can be in an auditorium, classroom, training room or waiting area. 4 models with 2 different arm styles make up the ReadyLink™ series. There is the 'open' arm style and the 'tablet' arm style. Both are designed with a 'row starter' and an 'add-on' chair that link together to create any number of configurations. Strong steel powder-coated frames with a durable polyurethane shell, textured easy-to-clean vinyl seats and backs, and spring-loaded seats that flip up when not in use (shown down for photography purposes).

New danbelle series / stack chair, café chair

ou will need to *rethink* the way you see your space. The Danbelle Series Guest & Café Chairs are the versatile accents you've been looking for. 3 frame finishes including in-stock silver and special order black and chrome, 4 standard fabric colors, 5 vinyl colors and 18 In-Stock *Elements* fabric and vinyl choices, all make the Danbelle Guest Chair the most customizable chair in our line. Stain-resistant fabrics as well as Anti-microbial/anti-bacterial vinyls. Danbelle Café Chair comes with silver frame only and is not available in *Elements*. The picture to the right features the Mime—Pewter fabric from the *Elements* In-Stock Program.

What color to choose will be the greatest challenge with the Danbelle Series. More fabric & vinyl color options to help you design your space.

STARS

MOON

For *respectively* simple style, diversity and value, the Stars & Moon Series is the best choice. Consisting of Stack Chairs, Task Chairs, Task Stools, Café Chairs and Beams, all with a sturdy steel frame and a weight capacity of 250 lbs. per seat. We offer all models with a total of 36 different colors, textures and patterns to enhance just about any space. Use 14 selections from the Elements In-Stock Textile Upgrade Program to personalize your space.

Models: 325 & 335 (Stack Seating)
326 & 336 (Task Seating)
328 & 338 (Café Seating)

realize what's important, and treat yourself to a design star. 36 fabric and vinyl choices including 14 from the In-Stock Elements Program give color opportunities the green light. Diverse in that there are 2 lengths: 3-unit & 4-unit, both have an option to add a table in your choice of 4 laminate finishes to any position on the beam. The steel silver powder-coated frame can hold between 750 lbs. & 1000 lbs.

Stain-resistant fabric, anti-microbial/anti-bacterial vinyl, designer colors and patterns or just all plastic seats, the Stars & Moon Beam Series has all of them.

Don't like just one color? Get one of *each* and express your style as only you can.

*The ORO Series is the new standard for executive seating.
Plush, Sophisticated, Unique, Comfortable, Diverse... Yours.*

oro will set the standard for the next wave of multi-task Executive Seating. Plush and elegant, all 3 models are distinctively similar with their unique features. All have qualities that make them *refreshingly* comfortable, like plush thickly padded seats, backs and arms. Their uniqueness lies in the pull out, adjustable position tablet with an anti-slip finish.

We've created 3 models that suit many physical types including the 400 lb. weight capacity ORO200.

ORO100

ORO200

ORO300

Tablet fits keyboard or personal tablet.
Size: 14" W x 9.50" D

Models: ORO100
45.50" - 51.50" H x 27.50" W x 32.50" D

ORO200
45" - 48" H x 31" W x 32.50" D

ORO300
43.25" - 46.25" H x 28" W x 30.50" D

n

o longer is the Executive Chair confined to only be 'behind the desk'. It is perfect for those group meetings to *review* the latest sales numbers or across the desk with glides instead of casters. ORO can be used with or without the tablet up. When you want to lean back away from the desk you will now be able to take your keyboard or tablet with you.

Meeting/Training Room:
ORO300 in Cream

Soft, supple PVC-free polyurethane and bonded leather with extra cushioning makes ORO very comfortable for long hours.

ORO100 has an adjustable headrest & back ratchet bolster support and has a 350 lb. capacity.

ORO200 is our Big & Tall chair with a 400 lb. capacity.

ORO300 comes in both Black and Cream with a wood finish on the arms and base and has a 300 lb. capacity.

Left to Right: ORO100, ORO300, ORO200

Yes, you have found something like nothing else and best of all... we have gone ahead and had all three of them Greenguard® Certified.

ORO200

Having the GreenGuard® Certification seal of approval means that you can feel even safer that there is yet another reason to make ORO *your* new standard.

New **endure series** // stool, table, base

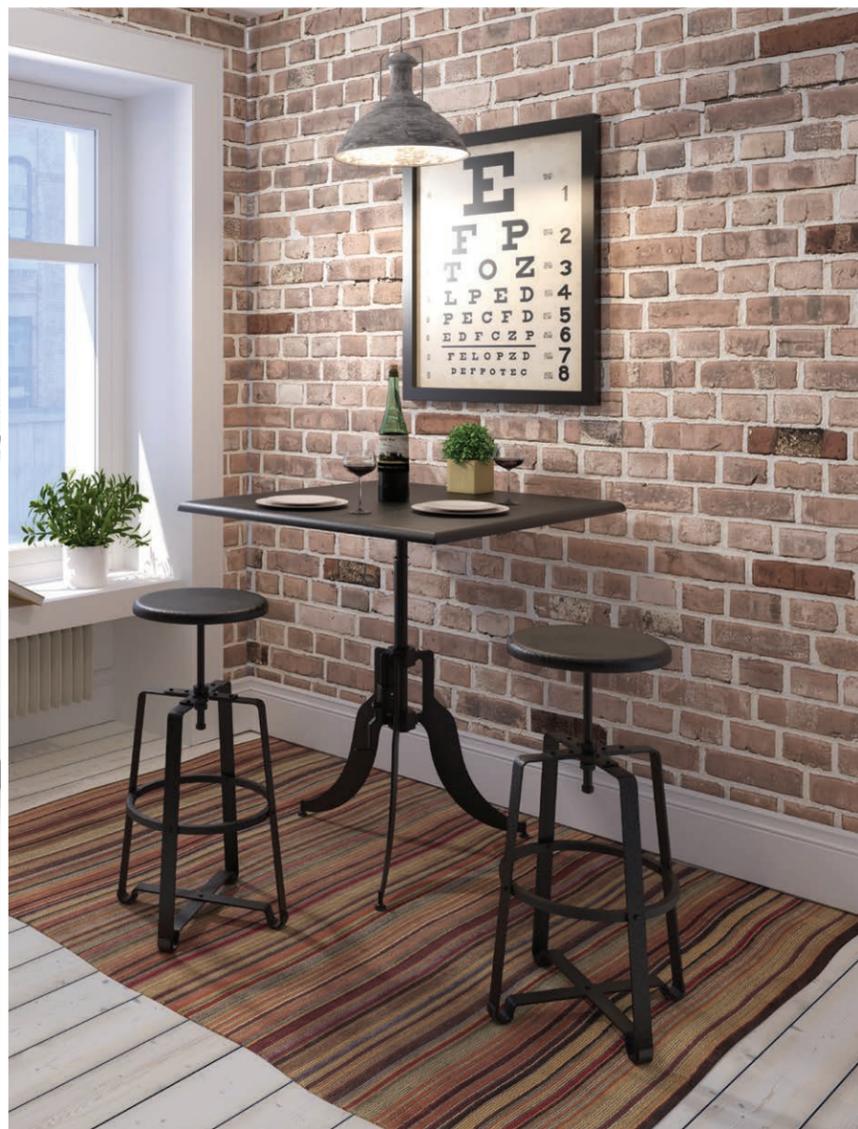

Endurance means to have a lasting quality, to withstand and to continue on. Our new Endure Series has the industrial look and feel that is so popular in today's interior designs and lives up to it's name. Whether it be at the office, in the breakroom, at the café, school, restaurant, or even in your own kitchen, the stools and tables look good and function even better. Customization is built right in **reinforcing** the versatility and functionality of this series. The Endure table is height adjustable with a unique crank handle making it easy to raise and lower the top when needed.

We've paired the tables with stools that have adjustable height rotating seats and come in 3 finishes including 2 woods and a Dark Vein metal. *Combinations include:* Maple seat w/ Gray frame and Walnut or Metal/Dark Vein seat w/ Dark Vein frame.

Science Lab/Classroom:
921 Small Stool with Walnut seat and Dark Vein finish on frame.

Art Studio:
920 Tall Stool with Maple seat and Gray finish on frame.

Models: 920 (Tall Stool)
25.75" - 34" H x 18.25" W x 18.25" D

17" - 25.50" H x 18.25" W x 18.25" D

AT32RD-DVN (Round Table)
30.50" x 43" H x 32" W x 32" D

AT36SQ-DVN (Square Table)
30.50" x 43" H x 36" W x 36" D

gain capacity and accessibility.
Increase your storage space by 40~70%!

The GreenGuard® Gold Certified X5 & X5 Lite sliding steel shelving systems recover wasted floor space by turning aisles into more storage area. Shelving units slide effortlessly on our exclusive, patented track system.

No tools are required to assemble X5 & X5 Lite. The tracks are not bolted down, and are completely modular. Just lay on a smooth hard surface and you are ready to go. This makes X5 & X5 Lite easy to customize, reposition and expand. This design allows for retrieval of contents from both sides.

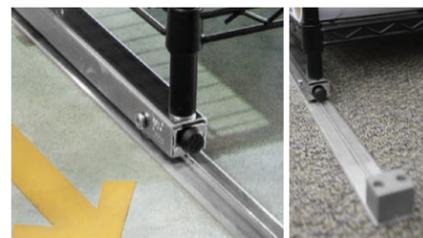

How X5 systems work:

In 1 room with 240 sq. ft. total storage space.

Five standard shelf units need 22' of space with aisles in between each unit.

Five X5 shelf units with OFM's patented glide system now take up only 14.75' of space, with just one aisle space needed.

Exclusive patented glide system with track end-glide stop

"Step-on/flip-up" safety brake

X5 is easy to specify:

First, measure the space you would like to use for the X5 storage system. Next, visit our website, ofminc.com/x5.asp, and click on the link for the Track Length Worksheet. This worksheet will help you determine the right setup for your needs, list all the parts needed for your specific room dimensions and allows you to choose between all of our shelving options.

The X5 Multi-Row Sliding Storage System has an 800 lbs. per shelf weight capacity evenly distributed. Available in 2 shelf depths: 18" and 24". Available in 4 shelf widths: 36", 48", 60" and 72".

X5 Lite is a great option if you need to save space but have lighter-weight items. Black- or silver-painted shelves and posts support up to 300 lbs. per shelf, evenly distributed. Available in 36" and 48" widths. Common configurations include the metal track system and 3, 4, 5, or 6 complete shelf units.

wire shelving / wire carts

Wire shelving units are GreenGuard® Gold Certified and can be used as freestanding units or made mobile by adding casters to them. Durable and adjustable, these units are the perfect storage solutions for the home or industrial kitchen, medical facility, hotel hospitality, office supply room or even the home or business garage.

With a weight capacity of 800 lbs. per shelf evenly distributed (300 lbs. total with casters), there are limitless applications for them.

Shelving units come with 4 shelves, 4 posts, leveling glides and shelf-mounting clips. All stand 72" tall and can be ordered in your choice of heavy-duty 36", 48", 60", or 72" widths and 18" or 24" deep shelves that are height adjustable in 1" increments.

Like the X5, Wire Carts are adaptable to any environment. The 7 different sizes can also be personalized with any of the same accessories available on the X5 Sliding Storage System units. They come with sturdy 5" locking casters and chrome-plated steel shelves and frame. The shelves are height adjustable in 1" increments.

The OFM Wire Carts are a great way to store and move supplies, computers, and just about anything else you can think of, to where it needs to be. They are made from the same steel construction as the X5 heavy duty units. Each cart has a 300 lb. weight capacity to store even your heaviest items.

Wire Carts are all 'no tools required' assembly.

Cart sizes: 18" to 24" W
36" to 72" L

Keeping in mind the many functions around the office, Essentials by OFM offers pieces you need at prices you'll love, without sacrificing style. We're redefining what value furniture truly means.

**EXECUTIVE/
CONFERENCE CHAIR**

Model: E1003

essentials

OFM hereby warrants that the products distributed by it shall be free of all defects in original material and workmanship for the life of the product under normal use.

Exclusions to the Warranty are as follows:

- Normal wear and tear, which are to be expected over the course of ownership
- Damage resulting from shipment, which will be handled under separate terms
- Damage resulting from storage, alteration, unauthorized repair, infestation, misuse, abuse, accident, acts of God, natural causes, and/or exceeding listed capacities
- Products used for rental purposes
- Failure to provide reasonable and necessary maintenance (as prescribed in the product instructions)
- Transportation and labor costs associated with warranty replacements

Seating:

All seating is covered under warranty for the life of the product under normal use. Limitations involving materials and components are:

- 2 years all fabric and upholstery materials
- 7 years gas lifts

Normal Commercial Usage for Seating is defined as 8 hours a day, 5 days a week with a weight capacity not to exceed 250 lbs.

The models listed below are rated for a 400 lb. & 500 lb. weight capacity and are warranted under the standard Normal Commercial Usage for Seating:

- | | |
|--------------------------------------------------------|----------|
| 400 lbs. | 500 lbs. |
| • Model ORO200 • Model 710 • Retro Bench • Model 821 | |
| • Model 407's • Model 711 • Model 300-XL • Model 822 | |
| • Model 409's • Model 800-L • Model 810-LX • Model 831 | |
| • Model 700 • Model 841 • Model 811-LX • Model 832 | |

OFM offers many models covered under warranty for a 24-Hour a day, 7 days a week usage. All standard seating limitations listed above still apply to this category of seating.

The models listed below are rated for a 250 lb. & 400 lb. weight capacity with 24-Hour a day use:

- | | |
|-------------------------------|----------|
| 250 lbs. | 400 lbs. |
| • Model 241 (All) • Model 247 | |
| • Model 242 • Model 247-VAM | |

Tables and Desks:

All tables and desks are covered under OFM's Limited Lifetime Warranty. Limitations involving materials and components are as follows:

- 10 years frames
- 5 years tops

Pedestals:

All pedestals are covered under OFM's Limited Lifetime Warranty. Limitations involving materials and components are as follows:

- 10 years full suspension glides

RiZe Panel System:

All panels and corner posts are covered under OFM's Limited Lifetime Warranty. Limitations involving materials and components are as follows:

- 10 years frames and frame welds
- 5 years vinyl and fabric panels under normal use

X5 and X5 Lite Shelving System:

Normal usage for all X5 and X5 Lite Shelving Systems is defined as not over-exceeding the weight capacity per shelf (X5: 800 lbs. per shelf, X5 Lite: 300 lbs. per shelf, evenly distributed) along with using the system on no or low pile carpet to prevent any unbalanced track issues.

All X5 and X5 Lite components are covered under OFM's Limited Lifetime Warranty under normal use as defined above.

*Maintenance: check for loose screws every 6 months and tighten.

TERMS AND CONDITIONS

Ordering Information:

All orders MUST be in writing. Please fax orders to 919-362-4765, email to sales@ofminc.com or contact us to set up EDI transmission. Purchase orders must include model numbers, color, quantity, accessories and any special instructions. Purchaser assumes responsibility to supply correct information when placing order. Prices and specifications subject to change. Refer to www.ofminc.com for the most up-to-date information.

Shipping & Handling:

All terms are FOB Holly Springs, NC 27540. OFM will initiate all prepaid freight claims. Any visual shortages or damages MUST be noted in writing at TIME OF DELIVERY on bill of lading. LTL carriers will not accept verbal information that differs from signed bill of lading. Damages must be filed within 10 days of receipt of goods and shortages must be noted immediately upon receipt. We cannot accept damage reports after this time. All orders shipped to APO/FPO locations will incur an additional \$15 per carton handling charge.

Payment Terms:

OFM relies on D&B for credit worthiness of new and established accounts for open credit terms. Terms are net 30 from date of invoice. If open account is not established, credit card or check will be accepted in advance.

Returns Policy:

Returns are accepted at our North Carolina warehouse ONLY. All returns must be shipped prepaid and be made within 30 days of purchase. Collect shipments will be refused and returned. To return a product, a Return Authorization form can be downloaded from our company web site, www.ofminc.com/orderinginfo.asp#returns or call 800-520-7471 and request a Return Authorization form. You will also be issued a Return Authorization number. This number will ALWAYS have the prefix "CQ". Merchandise returned without the CQ number will be refused by OFM. Return Authorization numbers are only valid for 30 days. OFM reserves the right to inspect all returns and determine applicable restocking and/or reboxing fees. A missing item or damaged product fee may be assessed if a returned product is missing the original box, packaging materials, contents, accessories, assembly instructions or is not in "like new" condition. **A minimum fee of 25% will apply for re-stocking only.** All warranty parts are available for replacement at NO charge and are shipped via UPS ground service. If upgraded service is required, the customer will be billed the difference in freight. Our freight carriers, including UPS, reserve the right to institute fuel surcharges on some or all shipments, without prior notice.
