**Subject:** RFQ timeframes

Since we had so many questions concerning the RFQs a decision was made to amend the RFQ to provide additional time to bidders to submit their proposals. The new timetable is listed below. We must post this amendment on the website and also provide email notification to all persons we are aware who may bid. If you have any email addresses of anticipated bidders, please provide those addresses to Linda and myself.

Thank you,  
Kim

**Part 4. Proposal Submission Requirements**  
**Section 4.6 Anticipated Timetable, page 16.**

The anticipated timetable is amended as follows:

Deadline for Proposal Responses	April 26, 2016
Opening of Bids	April 28, 2016
Announcement of Award	May 6, 2016
