... for all Bid Packages and Direct Purchase Bid Items as involved in the renovation and new construction at the Gulfport High School in Gulfport, MS. A detailed scope of work summary for each Bid Package and Direct Purchase Bid Item is included in the Division 1 Section "Summary of Work". All work is complete with all certifications, materials, labor, and equipment necessary to perform said work including all coordination with other trade contracts as contracted by the Gulfport School District. The Scope of Work will be performed in and adjacent to the existing Gulfport High School campus. Strict conformance to Educational K-12 guidelines, construction noise abatement, and ability to organize work with flexible hours and manage disruption during the continuity of work is vital to the successful completion of the project.

Bidders shall have proven and demonstrated ability to construct and renovate fully operational K-12 Educational Facilities in a K-12 or other Educational facility within the last five years. Contractors and Subcontractors with experience at the Gulfport School District in Harrison County are encouraged to respond to this solicitation; however, the Gulfport School District will take into consideration all bidders who have demonstrated acceptable qualifications.

Work shall be completed as indicated on the individual Bid Forms (see Division 00 Section 00 41 13 – Bid Form – and – Section 00 41 63 – Direct Purchase Program) Liquidated damages shall apply for non-compliance.
