Deliveries under \$30,000 net to New York area codes ending in: -100, -101, -102, -103, -118, or -119 will incur \$100 fee added to the Zone 4 program.

Deliveries under \$30,000 net to the District of Columbia (DC) will incur \$100 additional fee added to Zone 3 program.

Due to their excessive weight and or cubes, work surface-only orders and orders consisting of 12 or more lateral files (2, 3 and 4 drawer) will be excluded from all freight programs. A freight quote will be provided for these orders and the actual freight will be billed to the customer.

LTL and Truck load additional services such as Lift-gate, inside delivery, residential delivery, limited access etc are an additional fee and will be charged to the customer. These services must be specified at order submission. Service charges will vary depending on the service type and the carrier. For service charge inquires please contact WOFD customer service. WOFD will not incur the costs for unforeseen issues neglected by the purchaser, including those previously stated as well as re-consignment fees, re-delivery fees and any other charge that may have been handled with complete information about the delivery location.

LTL Delivery appointments generally add 1 business day to standard transit times and can incur additional charges depending on the carrier. Truckloads may be scheduled without additional fees or transit times. Because of delivery delays beyond the carriers control such as weather, accidents, construction ect delivery appts should be expected to arrive within a 4 hour period from appt time. Please make sure appropriate measures are taken by receiving to insure detention fees are not incurred. WOFD will not take responsibility for delays due to weather, accidents, construction and any other factor beyond our control.

Please note: for LTL deliveries allow 15 minutes waiting and unload time. Dedicated (truckload) deliveries allow 2 hours waiting and unload time. After the allotted time, the customer will be responsible for any detention fees. It's recommended having a receiving dock with a height of at least 10' and a pallet jack or fork lift available at the time of delivery.

CLAIMS AND RESPONSIBILITY

Any shipments received with visible carton damage or shortages must be noted as "damaged" or "short" on the bill of lading and signed by the receiving agent, as well as the carrier. The damaged cartons should then be inspected immediately to determine if there is product damage. If there is obvious product damage to the shipment upon receipt, refuse the shipment and note on the bill of lading "damaged and refused" before signing. An inspection of the contents of all cartons immediately upon arrival is recommended. WOFD must be notified within 5 working days after product is delivered if any shortages or damages were found (including concealed damage that does not become apparent until the product is unpacked). Failure to note shortages and damages on the bill of lading and/or failure to notify WOFD within 5 working days after shipment receipt constitutes a waiver of claim. Freight claims for third party and/or collect shipments are the responsibility of the customer. Contact Customer Support at 800-288-9633 if shipment is not received within 10 days of shipment.

PRODUCT WARRANTY WOFD Warrants to original purchaser, that each piece of furniture will be free from defects in workmanship given normal use and care for ten years of single shift service.

WOFD will repair or replace at our option any part or parts of the warranted product found to be defective within the terms of the warranty.

TERMS AND CONDITIONS

Possession of this price list does not constitute an offer to sell.

Terms: Net 30 days with approved credit. Shipment may be held due to failure to satisfy credit requirements or pay any past due invoices.
