## FREIGHT RESPONSIBILITY AND CLAIMS

Carrier routing will be determined by WOFD on all prepaid, or prepaid and add orders. When the customer selects the carrier, WOFD is not responsible for the services provided by that carrier. Customer selected carrier shipments will be shipped collect or third party based on the customer's instructions.

WOFD has made special arrangements with selected freight companies for the handling of freight damage claims. All WOFD shipments are put on the freight line free from damage and are signed for as such by the carrier's agent. As a service, WOFD will file freight claims for F.O.B. origin, prepaid, and add shipments under the following conditions:

**Any shipments received with visible carton damage or shortages must be noted as "damaged" or "short" on the bill of lading and signed by the receiving agent, as well as the carrier.** The damaged cartons should then be inspected immediately to determine if there is product damage. If there is obvious product damage to the shipment upon receipt, refuse the shipment and note on the bill of lading "damaged and refused" before signing. **An inspection of the contents of all cartons immediately upon arrival is recommended.** WOFD must be notified within 3 working days after product is delivered if any shortages or damages were found (including concealed damage that does not become apparent until the product is unpacked). **Failure to note shortages and damages on the bill of lading and/or failure to notify WOFD within 3 working days after shipment receipt constitutes a waiver of claim.** Freight claims for third party and/or collect shipments are the responsibility of the customer. Contact Customer Support at 800-288-9633 if shipment is not received within 10 days of shipment.
