HEAVY DUTY POWDERED NON-PHOSPHATE DETERGENT

Product Properties

COLOR: Turquoise Powder
ODOR: Pleasant
pH: 11
DETERGENCY: Very Good
HARD WATER TOLERANCE: Very Good

Description

This blend of builders, surfactants, water softening agents and optical brighteners make this an effective and economical powdered detergent to use. Its non-phosphate formula has been designed for compliance with environmental regulations to reduce phosphates in waste water. This free-flowing, easily dispersible formula produces exceptional results in all water conditions and is safe for all fabric types. Compatible with other laundry aids.

Features...Benefits

- Exceptional Results in All Water Conditions
- Disperses Easily
- Non-Phosphate Formula
- Free Flowing
- Compatible with Other Laundry Products

Directions

GENERAL LAUNDRY: Use only 1/4 cup (2 oz.) in standard machines. Use up to 1/3 cup (3 oz.) for large capacity machines, extra-large or heavily soiled loads. DO NOT OVERUSE. If desired, add oxygen or chlorine bleach about 5 minutes after the wash cycle begins. IMPORTANT! DO NOT OVERUSE BLEACH. Overuse of bleach is a common laundry mistake causing yellowing/greying of fabric, undesirable colors and reduced garment life. COMMERCIAL MACHINES require 8 to 16 oz. per 100 lbs. of laundry depending upon soil conditions. Follow instructions on your Laundry Procedures and Drying Guidelines posters. Consult your Service Representative for additional application information.

Safety Information

KEEP OUT OF REACH OF CHILDREN
CAUTION

Eye irritant. May be harmful if swallowed. In case of contact, flush with plenty of water. If swallowed, give milk or fluids and call a physician.
