## 1. AUTHORITY

- 1.1 This certifies that a contract has been executed between the Office of Purchasing and Travel, an Office of the Department of Finance and Administration for the State of Mississippi and the herein designated contractor or contractors pursuant to Section 31-7-7, Mississippi Code of 1972, Annotated, for the commodities specified herein.

## 2. APPLICATION

- 2.1 All purchases made by state agencies for commodities included under the provisions of these contracts shall be purchased under the terms of these contracts unless exempt by special authorization from the Office of Purchasing and Travel.

Under the provisions of Section 31-7-7 Mississippi Code of 1972, Annotated, the prices offered herein may be extended to the governing authorities. Commodities purchased under provisions of these contracts from the awarded contractor or contractors or authorized distributors shall be exempt from competitive bid requirements otherwise applying to purchases by state agencies and governing authorities. Applicable purchase orders issued by state agencies, regardless of the total amount, do not require further approval by this office.

The term, governing authorities, shall be defined as to mean boards of supervisors, governing boards of all school districts, all boards of directors of public water supply district, boards of directors of master public water supply districts, municipal public utility commissions, governing authorities of all municipalities, port authorities, commissioner and boards of trustees of any public hospitals and any political subdivision of the state supported wholly or in part by public funds of the state or political subdivisions thereof.

#### 5. OTHER INFORMATION

- 5.1 Intent: It is the intent of this catalog to establish a method whereby the buying entity may initially purchase a Brand Name Cartridge or a Remanufactured Cartridge.

Upon completion of use of the original Brand Name product, the buying entity will have the option of turning in the empty cartridge to the original vendor and buying another brand name cartridge, or the buying entity could turn in the empty cartridge to the vendor awarded the Remanufactured Cartridge and purchase a remanufactured cartridge.

A remanufactured cartridge may be returned in exchange for a recharged cartridge. The recharged cartridge may then be returned for additional recharging up to four more times.

- 5.2 Recycling of Empty Cartridges: It is the intent of the State that NO empty cartridges end up in a landfill. Therefore, all cartridges should be returned according to one of the following procedures:
