TERMS & CONDITIONS

General Information

Prices shown are list prices per piece or set, except per carton charge is per order. idesk reserves the right to make changes in design or construction without prior notice. Measurements listed in price book are rounded off. Please contact Customer Service for exact measurements.

Availability

idek maintains a high level of inventory in our InStock Program throughout our regional distribution centers. Our inventory is replenished on a regular basis, and orders are filled on a first come first served basis once a confirmed order is placed and an order acknowledgement is received.

A 50% deposit is required in order to hold inventory based on availability. Idesk will hold product up to 14 calendar days. Deposit will be forfeited after this period unless a written cancellation request is submitted within 14 calendar days or a confirmed purchase order is received. Please note: large orders may require an extended lead time. In the event an item is not available, three options may apply that require written authorization from the dealer:

Option 1

Partial ship available quantity and back order remaining items – minimum drop off charges (if applicable) apply to BOTH the initial partial shipment as well as any subsequent back order shipments.

Option 2

Request transfer of out of stock item from an alternate regional distribution center– customer is responsible for any additional freight costs associated with the transfer as our price does not reflect these additional costs.

Option 3

Hold until complete order is available through idesk's regular inventory replenishment for the distribution center where the dealer is based.

Ordering Procedure

Orders from customers without a previous idesk credit rating will not be accepted without satisfactory references accompanying the order or other arrangements being made. idesk does not accept verbal purchase orders or revisions. Orders are accepted via fax or email only. Please fax or email purchase orders to the corresponding region in which you are based [these are listed under Contact Information].

Order Acknowledgement

Idesk sends acknowledgements on all orders. Please examine the acknowledgement carefully and advise us immediately of any discrepancies. The Order Acknowledgment is the final agreement between Idesk and the customer, superseding all previous communication regarding that order.
