The Contractor shall perform all services as an independent contractor and shall at no time act as an agent for the CCSD. No act performed or representation made, whether oral or written, by contractor with respect to third parties shall be binding on the CCSD.

7. COPYRIGHTS AND PATENTS

Contractor (i) agrees that the CCSD shall determine the disposition of the title to and the rights under any copyright or patent by Contractor or employees on copyrightable material first produced, composed, discovered or invented in the course of or under this agreement, and (ii) hereby grants to the CCSD a royalty free, nonexclusive, irrevocable license to reproduce, translate, publish, use and dispose of, and to authorize others to do so, all copyrighted or (copyrightable) work not first produced or composed by Contractor in the performance of this agreement, but which is incorporated in the material furnished under the agreement, provided that such license shall be only to the extent Contractor now has, or prior to the completion of full final settlements of agreement may acquire, the right to grant such license without becoming liable to pay compensation to others solely because of such grant.

Contractor further agrees that all material produced and/or delivered under this contract will not, to the best of the Contractor's knowledge, infringe upon the copyright, patent, or any other proprietary rights of any third party. Should any aspect of the materials become, or in the Contractor's opinion be likely to become, the subject of any infringement claim or suit, the Contractor shall procure the rights to such material or replace or modify the material to make it non-infringing.

8. DISCLOSURE OF CONFIDENTIAL INFORMATION

In the event that either party to this agreement receives notice that a third party requests divulgence of confidential or otherwise protected information and/or has served upon it a subpoena or other validly issued administrative or judicial process ordering divulgence of confidential or otherwise protected information that party shall promptly inform the other party and thereafter respond in conformity with such subpoena to the extent mandated by law. This section shall survive the termination or completion of this agreement. The parties agree that this section is subject to and superseded by Mississippi Code Ann. Section 25-61-1, *et seq.*

9. EXCEPTIONS TO CONFIDENTIAL INFORMATION

Contractor and the CCSD shall not be obligated to treat as confidential and proprietary any information disclosed by the other party ("the Disclosing Party") which (a) is rightfully known to the recipient prior to negotiations leading to this agreement, other than information obtained in confidence under prior engagements; (b) is generally known or easily ascertainable by non-

parties of ordinary skill in the business of the customer; (c) is released by the Disclosing Party to any other person, firm, or entity (including governmental agencies or bureaus) without restriction; (d) is independently developed by the recipient without any reliance on confidential information; (e) is or later becomes part of the public domain or may be lawfully obtained by the CCSD or the Contractor from any non-party; or (f) is disclosed with the Disclosing Party's prior written consent.

10. MODIFICATION OR RENEGOTIATION

This agreement may be modified, altered or changed only by written agreement signed by the parties hereto. The parties agree to renegotiate the agreement if federal and/or State revisions of any applicable laws or regulations make changes in this agreement necessary.

11. REPRESENTATION REGARDING CONTINGENT FEES

The Contractor represents that it has not retained a person to solicit or secure a State contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except as disclosed in the Contractor's bid or proposal.

12. REPRESENTATION REGARDING GRATUITIES

The bidder, offering vendor, or Contractor represents that it has not violated, is not violating, and promises that it will not violate the prohibition against gratuities.

13. AVAILABILITY OF FUNDS

It is expressly understood and agreed that the obligation of the CCSD to proceed under this agreement is conditioned upon the appropriation of funds by the Mississippi State Legislature and receipt of state and/or federal funds. If the funds anticipated for the continuing fulfillment of the agreement are, at any time, not forthcoming or insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds or the discontinuance or material alteration of the program under which funds were provided or if funds are not otherwise available to the CCSD, the CCSD shall have the right upon ten (10) working days written notice to the Contractor, to terminate this agreement without damage, penalty, cost or expenses to the district of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

14. STOP WORK ORDER

- (1) *Order to stop work.* The Purchasing Agent of CCSD may by written order to the Contractor at any time, and without notice to any surety, require the Contractor to stop all or any part of the work called for by this contract. This order shall be for a specified period not exceeding 90 days after the order is delivered to the Contractor, unless the parties agree to any further period. Any such order shall be identified specifically as a stop work order issued pursuant to this clause. Upon receipt of such an order, the Contractor shall forthwith comply with its terms and take all reasonable steps to minimize the occurrence of costs allocable to work covered by the order during the period of work stoppage. Before the stop work order expires, or within any further period to which the parties shall have agreed, the Business Office of CCSD shall either:
 - (a) cancel the stop work order; or

- (b) terminate the work covered by such order as provided in the Termination for Default Clause or the Termination for Convenience Clause of this contract.
- (2) *Cancellation or Expiration of the Order.* If a stop work order issued under this clause is cancelled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, the Contractor shall have the right to resume work. An appropriate adjustment shall be made in the delivery schedule or Contractor price, or both, and the contract shall be modified in writing accordingly, if:
 - (a) the stop work order results in an increase in the time required for, or in the Contractor's cost properly allocable to, the performance of any part of this contract; and
 - (b) the Contractor asserts a claim for such an adjustment within 30 days after the end of the period of work stoppage; provided that, if the Procurement Officer of CCSD decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this contract.
- (3) *Termination of Stopped Work.* If a stop work order is not cancelled and the work covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop work order shall be allowed by adjustment or otherwise.
- (4) *Adjustment of Price.* Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment Clause of this contract.

15. TERMINATION FOR DEFAULT

- (1) *Default.* If the Contractor refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract, or any extension thereof otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the Purchasing Agent of CCSD may notify the Contractor in writing of the delay or nonperformance and if not cured in ten days or any longer time specified in writing by the Purchasing Agent of CCSD, such officer may terminate the Contractor's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Purchasing Agent of CCSD may procure similar supplies or services in a manner and upon terms deemed appropriate by the Purchasing Agent of CCSD. The Contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.
- (2) *Contractor's Duties.* Notwithstanding termination of the contract and subject to any directions from the Purchasing Agent of CCSD, the Contractor shall take timely, reasonable, and necessary action to protect and preserve property in the possession of the Contractor in which the CCSD has an interest.
- (3) *Compensation.* Payment for completed services delivered and accepted by the CCSD shall be at the contract price. The CCSD may withhold from amounts due the Contractor such sums as the Purchasing Agent of CCSD deems to be necessary to protect the CCSD against loss because of outstanding liens or

claims of former lien holders and to reimburse the CCSD for the excess costs incurred in procuring similar goods and services.

- (4) *Excuse for Nonperformance or Delayed Performance.* Except with respect to defaults of Subcontractors, the Contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by the Contractor to make progress in the prosecution of the work hereunder which endangers such performance) if the Contractor has notified the Purchasing Agent of CCSD within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a Subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the Contractor shall not be deemed to be in default, unless the services to be furnished by the Subcontractor were reasonably obtainable from other sources in sufficient time to permit the Contractor to meet the contract requirements.

Upon request of the Contractor, the Purchasing Agent of CCSD shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the Contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the CCSD under the clause entitled "Termination for Convenience." (As used in this Paragraph of this clause, the term "Subcontractor" means Subcontractor at any tier).

- (5) *Erroneous Termination for Default.* If, after notice of termination of the Contractor's right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (4) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the CCSD, be the same as if the notice of termination had been issued pursuant to such clause.
- (6) *Additional Rights and Remedies.* The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.

16. TERMINATION FOR CONVENIENCE

- (1) *Termination.* The Purchasing Agent of CCSD may, when the interests of the CCSD so require, terminate this contract in whole or in part, for the convenience of the CCSD. The Purchasing Agent of CCSD shall give written notice of the termination to the Contractor specifying the part of the contract terminated and when termination becomes effective.

- (2) *Contractor's Obligations.* The Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination the Contractor will stop work to the extent specified. The Contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. The Contractor shall settle the liabilities and claims arising out of the termination of subcontractors and orders connected with the terminated work. The Purchasing Agent of CCSD may direct the Contractor to assign the Contractor's right, title, and interest under terminated orders or subcontracts to the State. The Contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

17. E-VERIFICATION
