Fabric Information

Fabric Guidelines:

Upholstery fabrics can not be used on panels. Panel fabrics can not be used on seating. All fabrics can be used on tackboards and flipper doors:

Lead times are as follows:

NO ASTERISK INDICATES 5 DAY QUICKSHIP

*INDICATES 4 WEEK LEAD TIME

**INDICATES 4-6 WEEK LEAD TIME

Panel Fabric Direction – Option Selection:

Standard 80" or higher panels are upholstered vertically, whereas all other panels 67" or shorter are upholstered horizontally. When placed in the same area, a shading discrepancy may occur.

To maintain visual continuity, please select OPTION A (An upcharge will apply):

OPTION A: To maintain a uniform appearance of the panels, a fabric direction on 67" or shorter panels will match the fabric direction on the 80" or higher panels. An upcharge of 12% per panel will be added to your order to cover the expense of matching the fabric direction.

OPTION B: The fabric pattern will not match on this order. It is understood that there may be a shading discrepancy. There will not be an upcharge for this option.
