MARVEL VIZION[®]

MARVEL VIZION[®] Overview Brochure

Vizion® Teacher's Desks with Media Center and Lectern

The Teacher's Desk with Media Center and Lectern is designed to support interactive learning. It's curved surfaces invite participation from students. The 60" x 30"/36" desk has two box drawers, a file drawer, and an additional pull-out lap top or writing surface. The media center features a height adjustable work platform that is ideal for student interaction. Choose cherry or oak laminate with dark neutral finish.

- Adjustable height worksurface ideal for document cameras
- Slanted lectern surface with pencil stop
- Lockable pull-out projector shelf
- Locking equipment or media storage drawer
- CPU, a rack or component area with I/R friendly acrylic or secure steel doors
- Speaker mounting capability for 4" speakers or box speakers
- AmpliVox® Sound Optional
