TERMS OF PAYMENT, SECURITY INTEREST AND LIEN RIGHTS

Credit will be established based upon Company's determination of credit worthiness. A deposit or prepayment may be required on certain accounts after credit review. Credit terms are 30 days net from date of invoice and/or as designated by the order acknowledgement. Company may cancel or change credit terms at its discretion and may request advance payment at any time. No order will be released for production without a credit approval from the Credit Department. Company may at its option, and without notice, raise or allow charges in excess of any credit limit granted. The applicant understands and agrees they (the Purchaser) are responsible for all charges on the account. All payments due to Company shall be paid without any set-off or claim.

Applicant agrees to pay a service charge of 1.5 percent per month or as allowed by law on all past due accounts. A past due account is an account that remains unpaid for more than thirty (30) days. All charges are payable according to these terms and conditions unless otherwise prearranged and agreed to in writing by Company.

Applicant agrees that any lawsuit to enforce the rights and/or obligations of the parties in this relationship must be brought in the State of Ohio, County of Fulton and no other forum. In addition, should the parties be required to instigate litigation, applicant shall be responsible for collection of agency fees, court costs, reasonable attorney fees incurred by Company and pre-judgment interest as set forth above.

TITLE & RISK

Title to all Goods shall pass from Company to the Purchaser upon Company's receipt of payment in full under this Contract or any change thereof.

Risk of loss or damage to the Goods becomes the responsibility of the Purchaser upon delivery. Unless otherwise specified in writing, Company will determine the method of shipment and carrier. If products are shipped via the Purchaser's choice of carrier, Company is not responsible for damage in shipment.

The Purchaser will insure the Goods against all insurable risks in the name of

the Purchaser and also in the name of Sauder Manufacturing Co. as the unpaid vendor for their full insurable value.

ORDERING & LEAD TIME

ORDERING

A signed purchase order or contract received via mail, fax or email is required before an order is processed. In addition, credit applications, credit references and/or advance payments may be required for newly established accounts. Orders are not scheduled in production, nor materials purchased until all details are received.

ORDER ACKNOWLEDGEMENT

Orders are not binding until the order acknowledgement is delivered. Any error or discrepancy on the acknowledgement must be reported to Company in writing within three (3) working days from the receipt of the acknowledgement. All modifications to the acknowledgement must be reconfirmed and signed by the Company. Cashing a down payment check does not constitute acceptance.

The Company's Terms and Conditions will serve as the final expression of the agreement between Purchaser and Company, and supersedes all prior oral and written statements regarding the order.

Any proposal for additional or different terms, or any attempt by Purchaser to vary in any degree any of the terms in buyer's acceptance is hereby objected to and rejected.

CHANGE ORDERS

The order as shown on the Order Acknowledgement can be modified only by a written communication or reconfirmation signed by Company.

Company may, at its discretion, accept reasonable change orders with the following conditions:

- The request for change must be submitted in writing and received before order specific parts have been purchased and/or the manufacturing process has begun.
- Changes may be subject to additional charges for material, labor, restocking, and administrative costs.
- Changes may result in an extended delivery date.

CANCELLATIONS

Any deposit made with respect to the order is non-refundable. The Company reserves the right to cancel any order, with notice to purchaser, due to breach of obligation or contract. Additionally, if an order is cancelled after order specific materials have been purchased and/or production has started, the customer will be responsible for the cost associated with those materials or production. Any Customer's Own Material (COM) supplied will be returned "as-is", this applies to any fabric that has been cut, wood parts with a finish applied, and all laminates. A cancellation or restocking charge of 1/3 of the net sale is applicable on orders cancelled.

LEAD TIME

Lead times will vary based on specifications chosen and available manufacturing capability. Consult your authorized sales representative or the home office when placing your order to determine estimated ship date.

CUSTOM PRODUCTS AND MATERIALS

All nonstandard designs and materials are subject to a surcharge; contact Company for approval and pricing. The use of nonstandard designs and/or materials may cause extended delivery times and reduced warranty coverage.

CUSTOMER'S OWN MATERIAL

Company reserves the right of preliminary approval for all COM, prior to order acceptance. Even after such preliminary approval, Company reserves the right to reject COM if, upon physical inspection of the material, it proves unacceptable for use on Company products. When COM is accepted, Company assumes no responsibility for appearance, durability, color fastness, or any other quality after it is upholstered on a Company product.

Orders with COM are not scheduled into production until all materials are received and inspected. At Company's discretion, additional yardage, labor charges, or handling surcharges may be required as a condition of COM acceptance. COM delivered to Company without proper identification can be refused, and Company shall have no responsibility for loss or any other claims.

When products are shipped via the Purchaser's choice of carrier, Company is not responsible for damage in shipment. Purchaser should carefully inspect all items at time of delivery and note any obvious damage on the delivery receipt. For the Purchaser's protection, such obvious or subsequently discovered concealed damage must be reported in writing to the carrier in accordance with applicable regulations and time limits. WOOD FINISHES

Due to natural variations beyond Sauder Education's control, all items including but not limited to fabric, wood or steel are sold subject to variations or irregularities of color, grain and texture. Because of these variations, Sauder Education's samples may not exactly match that of the finished product.

Prices quoted in this Price Book are based on Sauder Education standard wood finishes listed below:

73 Natural	77 Henna	81 Walnut
74 Amber	78 Urban Cherry	82 Molasses
75 Honey	79 Mahogany	83 Black
76 Nutmeg	80 Sepia	

Wood finish names describe the color only, not the wood species. Stains are applied to the specific product's standard wood type such as maple, beech or oak.

Different kinds of wood, and sometimes pieces of the same wood of varying grain, take the same stain differently. Therefore, Sauder Education cannot guarantee absolute color uniformity.

Custom finishes are available at an additional \$546 list charge per order. Customer provides a sample for the color match and must approve the custom finish match before the order can be scheduled for production.

It is recommended that furniture being ordered for placement near existing products have a custom finish match. Color variances may occur between orders without a custom finish match. Custom finish matches for any standard Sauder Education finish are available at no additional charge.

CUSTOM PRODUCTS AND MATERIALS

All nonstandard designs and materials are subject to a surcharge. Contact the home office for approval and pricing. The use of nonstandard designs and/or materials may cause extended warranty coverage.

- Within our standard offering, an upcharge may be applied if a premium pattern or finish is selected. This may also cause extended lead times.
- Standard laminates other than Formica™, Nevamar™, Pionite™, and WilsonArt™ result in a 5% list upcharge per item. Premium patterns and finishes will require an additional upcharge and extended lead times.
- With signed approval, custom finishes are available for a \$546 list up-charge per order.

CUSTOMER'S OWN MATERIAL (FABRIC)

Please contact Sauder Education on all COM fabrics. A sample of the COM fabric is required to be submitted to Sauder Education for approval and yardage estimate prior to placing an order. The sample should be large enough to indicate a repeat if applicable.

All printed yardages listed in the price book are based on plain 54" wide fabrics (based on non-matched fabric). COM less than 54 inches wide, or patterned COM, requires additional yardage. If a fabric is directional, it will be applied vertically unless specific instructions are given to the contrary. If a horizontal application is desired, please inform Sauder Education as additional yardage or special production techniques may be required. At the customer's request, Sauder Education may, in its discretion, for non-Sauder

Education program fabrics handle the purchase of the COM fabric for a charge of 15 percent of the fabric list price.

Orders with COM are not scheduled into production until all materials are received and inspected. Refer to the checklist on page 16 to ensure the proper handling of COM fabrics. If partial shipment entry is required, indicate on purchase order, or forward orders with standard products and COM products on separate purchase orders.
