PROJECT #40638
MASTER PURCHASE AGREEMENT
BETWEEN
DELL MARKETING, L.P.
AND
MISSISSIPPI DEPARTMENT OF INFORMATION TECHNOLOGY SERVICES
AS CONTRACTING AGENT FOR THE
AGENCIES AND INSTITUTIONS OF THE STATE OF MISSISSIPPI

This Master Purchase Agreement (hereinafter referred to as "Master Agreement") is entered into by and between Dell Marketing, L.P., a Delaware corporation having its principal place of business at One Dell Way, Round Rock, Texas 78682 (hereinafter referred to as "Seller"), and the Mississippi Department of Information Technology Services, having its principal place of business at 3771 Eastwood Drive, Jackson, Mississippi 39211 (hereinafter referred to as "ITS"), as contracting agent for the governmental agencies and educational institutions of the State of Mississippi (hereinafter referred to as "Purchaser"). ITS and Purchaser are sometimes collectively referred to herein as "State". ITS and Seller are sometimes collectively referred to herein as "Parties".

WHEREAS, ITS, pursuant to Request for Proposals (hereinafter referred to as "RFP") Number 3736, requested proposals for the selection of vendors to fulfill the requirements of a Microsoft authorized reseller under the terms of all Microsoft licensing programs which the State has entered into with Microsoft, including but not limited to, the Microsoft Select Plus Agreements for government and education, Microsoft Enterprise Agreement, Microsoft Campus Agreement/Enrollment for Education Solutions Agreement and Microsoft School Agreement, as well as other Microsoft licensing such as the Microsoft Open License Program;

WHEREAS, Seller was a successful proposer in an open, fair and competitive procurement process to serve as an authorized reseller;

WHEREAS, ITS desires to enter into a Master Agreement containing the terms and conditions which will govern any orders placed by the Purchaser during the term of this Master Agreement for Microsoft software ("Products") and services from Seller as specified in RFP No. 3736;

NOW THEREFORE, in consideration of the mutual understandings, promises, consideration and agreements set forth, the Parties hereto agree as follows:

ARTICLE 1 TERM OF AGREEMENT

Unless terminated as prescribed elsewhere herein, this Master Agreement will become effective on the date it is signed by all Parties (the "Effective Date") and will continue in effect through November 30, 2016, or until all warranties provided by Seller to Purchaser have expired, whichever occurs last. At the end of the initial term, the Master Agreement may, upon the written agreement of the Parties, be renewed for additional terms, the length of which will be agreed upon by the Parties. Sixty (60) days prior to the expiration of the initial or any renewal term of this Master Agreement, Seller shall notify ITS in writing of the impending expiration and thereafter ITS shall notify Seller of its intent to either renew or cancel the Master Agreement.

ARTICLE 2 MODIFICATION OR RENEGOTIATION

This Master Agreement may be modified only by written agreement signed by the Parties hereto, and any attempt at oral modification shall be void and of no effect. The Parties agree to renegotiate the Master Agreement and any pertinent supplement /purchase order if federal and/or state revisions of any applicable laws or regulations make changes in this Master Agreement and any pertinent supplement/purchase order necessary.

ARTICLE 3 INCLUDED PARTIES

Seller will accept orders from and furnish the Products and services under this Master Agreement to any governmental agency, governing authority, or educational institution within Mississippi, at prices not to exceed those specified in Seller's Proposal in response to RFP No. 3736.

ARTICLE 4 ADDITIONAL TERMS AND CONDITIONS

All provisions in this Master Agreement are in addition to the requirements of RFP No. 3736 and Seller's Proposal in response thereto, which are both incorporated into and made a part of this Master Agreement.

ARTICLE 5 ORDERS

5.1 The State does not guarantee that it will purchase any minimum amount under this Master Agreement.

5.2 The Parties agree that some or all of the Products and/or Services as proposed by Seller may be published as the Microsoft Express Products List ("EPL"). ITS and Seller will mutually agree on the format and content of the EPL.

5.3 When a Purchaser decides to procure any Products and/or services from Seller, the Purchaser shall execute a supplement/purchase order to be signed by Seller and an authorized representative of the Purchaser. The supplement/purchaser order shall set forth the Products/services to be procured; the prices for same; any warranty period, the specific details of the transaction, and any additional terms and conditions agreed to by the Seller and Purchaser. All supplements/purchase orders shall be governed by, and incorporate by reference, the terms and conditions of this Master Agreement. Excluding better pricing and/or discounts which may be specified in a supplement/purchase order, in the event of a conflict between the other terms and conditions in the supplement/purchase order or the terms of any document provided by Seller or its subcontractors, and this Master Agreement, the terms and conditions of this Master Agreement shall prevail. The Parties agree that the Purchaser has the right to adjust the quantities of purchases based upon the availability of funding or as determined necessary by the Purchaser.

5.4 Seller guarantees its pricing for the term of RFP No. 3736. In the event there is a national price decrease of the Products bid during that time, Seller agrees to extend the new, lower pricing to Purchaser. Seller shall not increase its pricing during the term of this Master Agreement unless Microsoft has issued a price increase for the particular Product. Regardless of any price increase or decrease, the discount structure shall remain the same during the term of this Master Agreement.

ARTICLE 6 PRODUCT CHANGES

6.1 Seller and ITS may, at any time, mutually agree in writing to amend the list of Products specified in Seller's Proposal in response to RFP No. 3736 so as to add other Products which shall then be available to Purchaser under the terms of this Master Agreement.

6.2 Seller shall be under no obligation to continue to stock in its inventory any Product, and Seller may delete any Products discontinued by Microsoft from the list of Products specified in Seller's Proposal in response to RFP No. 3736 at any time. Seller shall provide prior written notice to ITS that the Products are being discontinued by Microsoft.

ARTICLE 7 METHOD OF PAYMENT

7.1 Once the Products have been accepted by Purchaser as prescribed in Article 8 herein, or there has been lack of notice to the contrary, Seller shall submit an invoice for the cost and shall certify that the billing is true and correct. Seller shall submit invoices and supporting documentation electronically during the term of this Master Agreement using the processes and procedures identified by the State. Services will be invoiced as they are rendered. Purchaser agrees to pay Seller in accordance with Mississippi law on "Timely Payments for Purchases by Public Bodies", Sections 31-7-301, et seq. of the 1972 Mississippi Code Annotated, as amended, which generally provides for payment of undisputed amounts by the State within forty-five (45) days of receipt of the invoice. All payments shall be in United States currency. Payments by state agencies that make payments through the Statewide Automated Accounting System ("SAAS") shall be made and remittance information provided electronically as directed by the State. These payments by SAAS agencies shall be deposited into the bank account of the Seller's choice. Seller understands and agrees that Purchaser is exempt from the payment of taxes. No payment, including final payment, shall be construed as acceptance of defective Products or incomplete work, and Seller shall remain responsible and liable for full performance in strict compliance with the contract documents specified in Article 37 herein.

7.2 If payment of undisputed amounts is not made to Seller within forty-five (45) days of Purchaser's receipt of the invoice, Purchaser shall be liable to Seller for interest at a rate of one and one-half percent (1 ½%) per month (or such lesser rate as may be the maximum permissible rate under the law) on the unpaid balance from the expiration of such forty-five (45) day period until such time as payment is made. This provision for late payments shall apply only to undisputed amounts for which payment has been authorized.

7.3 Excluding any "true-up" required as a result of Microsoft's verification process, acceptance by Seller of the last payment from the Purchaser under a supplement/purchase order shall operate as a release of all claims against the State by Seller and any subcontractors or other persons supplying labor or materials used in the performance of any work under a supplement/purchase order.

ARTICLE 8 DELIVERY; RISK OF LOSS; INSTALLATION, AND ACCEPTANCE

8.1 Seller shall deliver the Products to the location specified by Purchaser and pursuant to the delivery schedule mutually agreed to by the Seller and Purchaser.

8.2 All Products shall be delivered to the Purchaser suitably packed for ground shipment in Seller standard shipping cartons, marked for shipment to one of Purchaser's ship-to locations identified in each supplement/purchase order, and delivered to Purchaser F.O.B. Destination.

8.3 Seller shall assume and shall bear the entire risk of loss and damage to the Products

from any cause whatsoever while in transit and at all times throughout its possession thereof.

8.4 If installation by Seller is required, Seller acknowledges that installation of the Products shall be accomplished with minimal interruption of Purchaser's normal day to day operations, and that the installation will be pursuant to the requirements of the Purchaser.

8.5 Seller warrants that all Products shall be properly delivered, installed and integrated, if necessary, for acceptance testing within the scheduling deadlines agreed to by the Seller and Purchaser as the site is deemed ready for installation. If installation by Seller is required, Seller shall provide Purchaser with an installation schedule identifying the date, time and location within the scheduling deadlines agreed to by the Seller and Purchaser.

8.6 Unless a different acceptance period is agreed upon in writing by Seller and the Purchaser, Purchaser shall accept the Products provided by Seller after a ten (10) working day testing period utilizing testing criteria developed by Purchaser. During the acceptance period, Purchaser shall have the opportunity to evaluate and test the Products to confirm that they perform without any defects and perform pursuant to Microsoft's Product specifications. Purchaser shall notify Seller in writing of its acceptance of the Products. Purchaser may be deemed to have accepted the Product at the end of the ten (10) working day period unless Purchaser notifies Seller that the Product fails to perform as stated herein.

8.7 In the event the Product fails to perform as stated in Article 8.6 herein, Purchaser shall notify Seller. Unless a different period of time is agreed to by Seller and the Purchaser, Seller shall, within four (4) working days, replace the defective Product. If Seller does not replace the defective Product, Purchaser reserves the right to return the Product to Seller at Seller's expense and to cancel the supplement/purchase order.

ARTICLE 9 WARRANTIES

9.1 Seller represents and warrants that it has the right to sell the software Products provided under this Master Agreement.

9.2 Seller represents and warrants that it has and will obtain and pass through to Purchaser any and all warranties obtained or available from Microsoft.

9.3 Unless a longer warranty period is specified in the supplement/purchase order, Seller represents and warrants, for a period of ninety (90) days from performance of the service, that all work hereunder, including but not limited to, consulting, training and technical support, has been performed in a good and workmanlike manner and consistent with generally accepted industry standards. For any breach of this warranty, Seller shall perform the services again, at no cost to Purchaser, or if Seller is unable to perform the services as warranted, Seller shall reimburse Purchaser the fees paid to Seller for the unsatisfactory services.

9.4 Unless a different warranty is stated in the supplement/purchase order, Seller represents and warrants that the Products will operate free from defects for a period of ninety (90) days after acceptance, and will provide Purchaser complete functionality necessary for the operation of the system. Seller's obligations pursuant to this warranty shall include, but are not limited to, the repair of all defects or the replacement of the Product at the expense of Seller. In the event Seller is unable to repair or replace the Product within ten (10) working days after receipt of notice of the defect, Purchaser shall be entitled to a full refund of fees paid and shall have the

right to terminate the supplement/purchase order and this Master Agreement in whole or in part solely as between Seller and Purchaser. Purchaser's rights hereunder are in addition to any other rights Purchaser may have.

9.5 Seller represents and warrants that there is no disabling code, lockup program or device embedded in the Products provided to Purchaser. Seller further agrees that it will not, under any circumstances, (a) install or trigger a lockup program or device, or (b) take any step which would in any manner interfere with Purchaser's licensed use of the Products and/or which would restrict Purchaser from accessing its data files or in any way interfere with the transactions of Purchaser's business. For any breach of this warranty, Seller at its expense shall, within five (5) working days after receipt of notification of the breach, deliver Products to Purchaser that are free of such disabling code, lockup program or device.

9.6 Seller represents and warrants that there is no computer virus contained in the Products when delivered to Purchaser. For purposes of this provision, a computer virus shall be defined as code intentionally inserted in the Products that will damage or destroy Purchaser's applications or data. For any breach of this warranty, Seller at its expense shall, within five (5) working days after receipt of notification of the breach, deliver Products to Purchaser that are free of any virus, and shall be responsible for repairing, at Seller's expense, any and all damage done by the virus to Purchaser's site.

9.7 Seller represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act, Section 71-11-1, et seq. of the Mississippi Code Annotated (Supp 2008), and will register and participate in the status verification system for all newly hired employees. The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Seller agrees to maintain records of such compliance and, upon request of the State and approval of the Social Security Administration or Department of Homeland Security, where required, to provide a copy of each such verification to the State. Seller further represents and warrants that any person assigned to perform services hereunder meets the employment eligibility requirements of all immigration laws of the State of Mississippi. Seller understands and agrees that any breach of these warranties may subject Seller to the following: (a) termination of this Master Agreement and ineligibility for any state or public contract in Mississippi for up to three (3) years, with notice of such cancellation/termination being made public, or (b) the loss of any license, permit, certification or other document granted to Seller by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year, or (c) both. In the event of such termination/cancellation, Seller would also be liable for any additional costs incurred by the State due to contract cancellation or loss of license or permit.

9.8 Seller understands and agrees that some, all or none of the purchases made under this Master Agreement may be funded by the American Recovery and Reinvestment Act of 2009 (hereinafter referred to as "ARRA") and, as such, represents and warrants that for any ARRA purchases, it will comply with the requirements of ARRA as set forth in Exhibit A, which is attached hereto and incorporated herein by reference and will maintain adequate records to verify its full compliance with those requirements.

9.9 Seller represents and warrants that it will comply with the state's data breach notification laws codified at Section 75-24-29 of the Mississippi Code Annotated (Supp. 2012). Further, to the extent applicable, Seller represents and warrants that it will comply with the applicable provisions of the HIPAA Privacy Rule and Security Regulations (45 CFR Parts 160, 162 and 164) ("Privacy Rule" and "Security Regulations", individually; or "Privacy and Security Regulations", collectively); and the provisions of the Health Information Technology for Economic and Clinical Health Act, Title XIII of the American Recovery and Reinvestment Act of 2009, Pub. L. No. 111-5 (the "HITECH Act").

ARTICLE 10 INFRINGEMENT INDEMNIFICATION

10.1 Seller represents and warrants that neither the Products, their elements nor the use thereof violates or infringes on any copyright, patent, trade secret or other proprietary right of any person or entity. Seller, at its own expense, shall defend or settle any and all infringement actions filed against Seller or Purchaser which involve the Products provided under this Master Agreement and shall pay all costs, attorney fees, settlements, damages and judgment finally awarded against Purchaser, provided that: (i) Purchaser promptly notifies Seller in writing of any such claim of which it has knowledge; (ii) Seller has, to the extent authorized by Mississippi law, sole control of the defense of any actions and negotiations related to the defense or settlement of any claim, and (iii) Purchaser cooperates in the defense of the claim by supplying Seller all relevant information currently available and in its possession, all at Seller's expense.

10.2 If Seller believes that the Product is or will become the subject of an infringement claim, or in the event that use of the Product is enjoined, Seller, at its own expense, shall: (a) first procure for Purchaser the right to continue using the Product, or upon failing to procure such right; (b) modify or replace the Product to make it non-infringing while maintaining substantially similar software functionality or data/informational content, or upon failing to secure either such right, (c) request Purchaser to return the infringing items to Seller and Seller shall refund the software license fees previously paid by Purchaser for the Products the Purchaser may no longer use. Said refund shall be paid within ten (10) working days of notice to Purchaser to discontinue said use.

10.3 Seller shall have no indemnification obligations to Purchaser under this Article for any infringement resulting directly from: (i) the combination or use of the Product with other items not provided by Seller; (ii) material modification of the Product by someone other than Seller, its agents or subcontractors or Purchaser's employees who were working at Seller's direction, where such modification creates the infringement; (iii) use of an allegedly infringing version of the Product if the alleged infringement would have been avoided by the use of a different version Seller made available to Purchaser at no cost to Purchaser, as long as the new or corrected version did not adversely affect the Purchaser's system's functionality.

ARTICLE 11 EMPLOYMENT STATUS

11.1 Seller shall, during the entire term of this Master Agreement, be construed to be an independent contractor. Nothing in this Master Agreement is intended to nor shall it be construed to create an employer-employee relationship or a joint venture relationship.

11.2 Seller represents that it is qualified to perform the duties to be performed under this Master Agreement and that it has, or will secure, if needed, at its own expense, applicable personnel who shall be qualified to perform the duties required under this Master Agreement. Such personnel shall not be deemed in any way directly or indirectly, expressly or by

implication, to be employees of Purchaser. Seller shall pay when due, all salaries and wages of its employees and it accepts exclusive responsibility for the payment of federal income tax, state income tax, social security, unemployment compensation and any other withholdings that may be required. Neither Seller nor employees of Seller are entitled to state retirement or leave benefits.

11.3 Any person assigned by Seller to perform the services hereunder shall be the employee or an authorized subcontractor of Seller, who shall have the sole right to hire and discharge its employee or subcontractor. Notwithstanding the use of authorized subcontractors, Seller shall remain solely responsible for the performance of its obligations under this Agreement. Purchaser may, however, request Seller to replace any of its employees or subcontractor personnel under this Master Agreement. If Seller is notified within the first eight (8) hours of assignment that the person is unsatisfactory, Seller will not charge Purchaser for those hours.

ARTICLE 12 BEHAVIOR OF EMPLOYEES/SUBCONTRACTORS

Seller will be responsible for the behavior of all its employees and subcontractors while on the premises of any Purchaser location. Any employee or subcontractor acting in a manner determined by the administration of that location to be detrimental, abusive or offensive to any of the staff and/or student body, will be asked to leave the premises and may be suspended from further work on the premises. All Seller employees and subcontractors who will be working at such locations to install or repair Products shall be covered by Seller's comprehensive general liability insurance policy.

ARTICLE 13 AUTHORITY, ASSIGNMENT AND SUBCONTRACTS

13.1 In matters of proposals, negotiations, contracts, and resolution of issues and/or disputes, the Parties agree that Seller represents all contractors, third parties, and/or subcontractors Seller has assembled for any given Purchaser project. The Purchaser is only required to negotiate with Seller, as Seller's commitments are binding on all proposed contractors, third parties, and subcontractors.

13.2 Neither party to a supplement/purchase order and this Master Agreement may assign or otherwise transfer the supplement/purchase order and/or this Master Agreement or its obligations hereunder without the prior written consent of the other party, which consent shall not be unreasonably withheld. Any attempted assignment or transfer of its obligations without such consent shall be null and void. The supplement/purchase order and this Master Agreement shall be binding upon the Parties' respective successors and assigns.

13.3 Seller must obtain the written approval of Purchaser before subcontracting any portion of the supplement/purchase order and this Master Agreement. No such approval by Purchaser of any subcontract shall be deemed in any way to provide for the incurrence of any obligation of Purchaser in addition to the total fixed price agreed upon in the supplement/purchase order. All subcontracts shall incorporate the terms of the supplement/purchase order and this Master Agreement and shall be subject to the terms and conditions of same and to any conditions of approval that Purchaser may deem necessary.

13.4 Seller represents and warrants that any subcontract agreement Seller enters into shall contain a provision advising the subcontractor that the subcontractor shall have no lien and no legal right to assert control over any funds held by the Purchaser, and that the subcontractor acknowledges that no privity of contract exists between the Purchaser and the subcontractor

and that Seller is solely liable for any and all payments which may be due to the subcontractor pursuant to its subcontract agreement with Seller. Seller shall indemnify and hold harmless the State from and against any and all claims, demands, liabilities, suits, actions, damages, losses, costs and expenses of every kind and nature whatsoever arising as a result of Seller's failure to pay any and all amounts due by Seller to any subcontractor, materialman, laborer or the like.

13.5 All subcontractors shall be bound by any negotiation, arbitration, appeal, adjudication or settlement of any dispute between Seller and the Purchaser, where such dispute affects the subcontract.

13.6 Contrary to Item #18 of Section IV of RFP No. 3736, copies of subcontracts to be executed between Seller and its subcontractors are not required to be included in Seller's proposal. Notwithstanding the preceding, ITS reserves the right to request copies of any subcontract agreement for subcontractors who will be providing services pursuant to this Master Agreement.

ARTICLE 14 AVAILABILITY OF FUNDS

It is expressly understood and agreed that the obligation of Purchaser to proceed under this Master Agreement and the supplement/purchase order is conditioned upon the appropriation of funds by the Mississippi State Legislature and the receipt of state and/or federal funds for the performances required under this Master Agreement. If the funds anticipated for the fulfillment of this Master Agreement and the supplement/purchase order are not forthcoming, or are insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds, or if there is a discontinuance or material alteration of the program under which funds were available to Purchaser for the payments or performance due under this Master Agreement, Purchaser shall have the right to immediately terminate the supplement/purchase order and this Master Agreement as to itself only, without damage, penalty, cost or expense to Purchaser of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination. Purchaser shall have the sole right to determine whether funds are available for the payments or performances due under the supplement/purchase order and this Master Agreement. Any payment due Seller for services rendered by Seller prior to termination and received by Purchaser shall be paid.

ARTICLE 15 TERMINATION

15.1 Termination Upon Mutual Agreement: The supplement/purchase order may be terminated in whole or in part upon the mutual written agreement of Seller and the Purchaser.

15.2 Termination Due To Bankruptcy: Should Seller become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or execute an assignment for the benefit of its creditors, the Purchaser may terminate a supplement/purchase order and this Master Agreement solely as between those two entities and without the assessment of penalties.

15.3 Termination Other Than For Cause: A Purchaser may terminate the supplement/purchase order and this Master Agreement as to itself only, in whole or in part and without the assessment of penalties, for any reason after giving thirty (30) days written notice specifying the effective date thereof to Seller.

15.4 Termination For Cause: Either Purchaser or Seller may terminate a

supplement/purchase order and this Master Agreement solely as between those two entities upon a material breach by the other party upon thirty (30) calendar days prior written notice unless the defaulting party cures such breach within such thirty (30) calendar-day period, or such other cure timeframe as may be mutually agreed upon by the Seller and Purchaser. Provided that, if the Purchaser terminates a supplement/purchase order and this Master Agreement solely as between those two entities because of Seller's inability to cure material defects after notice and opportunity to cure, the Purchaser may terminate the supplement/purchase order and this Master Agreement solely as between those two entities without also providing the notice and opportunity to cure required in this Article. The non-defaulting party may also pursue any remedy available to it in law or in equity.

15.5 Termination of Master Agreement: ITS may terminate the Master Agreement without the assessment of penalties for any reason after giving thirty (30) calendar days written notice specifying the effective date thereof to Seller, but any supplement/purchase order entered into prior to the termination date of the Master Agreement shall survive the termination of the Master Agreement. The terms of this Master Agreement shall survive its termination/expiration with respect to any un-expired supplements/purchase orders.

15.6 Upon termination of a supplement/purchase order, Seller shall refund any and all applicable unexpended pro-rated support/service fees previously paid by the Purchaser. Further, in the event a supplement/purchase order is terminated, Seller shall receive just and equitable compensation for satisfactory work completed by Seller and accepted by Purchaser prior to the termination. Such compensation shall be based upon and shall not exceed the amounts set forth in the particular supplement/purchase order.

ARTICLE 16 GOVERNING LAW

This Master Agreement and each supplement/purchase order shall be construed and governed in accordance with the laws of the State of Mississippi and venue for the resolution of any dispute shall be Jackson, Hinds County, Mississippi. Seller expressly agrees that under no circumstances shall Purchaser or ITS be obligated to pay an attorneys fee, prejudgment interest or the cost of legal action to Seller. Further, nothing in this Master Agreement shall affect any statutory rights Purchaser may have that cannot be waived or limited by contract.

ARTICLE 17 WAIVER

Failure of either party hereto to insist upon strict compliance with any of the terms, covenants and conditions hereof shall not be deemed a waiver or relinquishment of any similar right or power hereunder at any subsequent time or of any other provision hereof, nor shall it be construed to be a modification of the terms of this Master Agreement. A waiver by the State, to be effective, must be in writing, must set out the specifics of what is being waived, and must be signed by an authorized representative of the State.

ARTICLE 18 SEVERABILITY

If any term or provision of a supplement/purchase order or this Master Agreement is prohibited by the laws of the State of Mississippi or declared invalid or void by a court of competent jurisdiction, the remainder of the supplement/purchase order or this Master Agreement shall be valid and enforceable to the fullest extent permitted by law, provided that the Purchaser's purpose for entering into the supplement/purchase order can be fully achieved by the remaining portions of the supplement/purchase order that have not been severed.

ARTICLE 19 CAPTIONS
The captions or headings in this Master Agreement are for convenience only, and in no way define, limit or describe the scope or intent of any provision or section of this Master Agreement.

ARTICLE 20 HOLD HARMLESS
To the fullest extent allowed by law, Seller shall indemnify, defend, save and hold harmless, protect and exonerate Purchaser, ITS and the State, its Board Members, officers, employees, agents and representatives from and against any and all claims, demands, liabilities, suits, actions, damages, losses, costs and expenses of every kind and nature whatsoever, including without limitation, court costs, investigative fees and expenses, attorney fees and claims for damages arising out of or caused by the negligence or willful acts or omissions of Seller and/or its partners, principals, agents, employees or subcontractors in the performance of or failure to perform the supplement/purchase order and this Master Agreement.

ARTICLE 21 THIRD PARTY ACTION NOTIFICATION
Seller shall notify Purchaser and ITS in writing within five (5) business days of Seller filing bankruptcy, reorganization, liquidation or receivership proceedings or within five (5) business days of its receipt of notification of any action or suit being filed or any claim being made against Seller or Purchaser by any entity that may result in litigation related in any way to the supplement/purchase order or this Master Agreement and/or which may affect the Seller's performance under the supplement/purchase order and this Master Agreement. Failure of the Seller to provide such written notice to Purchaser and ITS shall be considered a material breach of this Master Agreement and the Purchaser and ITS may, at their sole discretion, pursue their rights as set forth in the Termination Article herein and any other rights and remedies they may have at law or in equity.

ARTICLE 22 AUTHORITY TO CONTRACT
Seller warrants that it is a validly organized business with valid authority to enter into this Master Agreement; that entry into and performance under this Master Agreement is not restricted or prohibited by any loan, security, financing, contractual or other agreement of any kind, and notwithstanding any other provision of this Master Agreement to the contrary, that there are no existing legal proceedings, or prospective legal proceedings, either voluntary or otherwise, which may adversely affect its ability to perform its obligations under a supplement/purchase order and this Master Agreement.

ARTICLE 23 NOTICE
Any notice required or permitted to be given under this Master Agreement shall be in writing and personally delivered or sent by electronic means provided that the original of such notice is sent by certified United States mail, postage prepaid, return receipt requested, or overnight courier with signed receipt, to the party to whom the notice should be given at their usual business address. ARTICLE 24 RECORD RETENTION AND ACCESS TO RECORDS
Seller shall establish and maintain financial records, supporting documents, statistical records

and such other records as may be necessary to reflect its performance of the provisions of this Master Agreement and the supplement/purchase order. The Purchaser, ITS, any state or federal agency authorized to audit Purchaser, and/or any of their duly authorized representatives, shall, at their expense and upon prior reasonable notice to Seller, have access to any of the Seller's books, documents, papers and/or records that are pertinent to this Master Agreement to make audits, copies, examinations, excerpts and transcriptions at the State's or Seller's office as applicable where such records are kept during normal business hours. All records relating to this Master Agreement and the supplement/purchase order shall be retained by the Seller for three (3) years from the date of receipt of final payment under this Master Agreement and the supplement/purchase order. However, if any litigation or other legal action, by or for the state or federal government has begun that is not completed at the end of the three (3) year period, or if an audit finding, litigation or other legal action has not been resolved at the end of the three (3) year period, the records shall be retained until resolution.

Seller will, upon request, furnish Purchaser with a certificate of conformity providing the aforesaid coverage.

ARTICLE 26 DISPUTES

26.1 Should disputes arise with respect to the supplement/purchase order and/or this Master Agreement, Seller and Purchaser agree to act immediately to resolve such disputes. Time is of the essence in the resolution of disputes. Seller agrees that, the existence of a dispute notwithstanding, it will continue without delay to carry out all of its responsibilities under the supplement/purchase order and/or this Master Agreement. Should Seller fail to continue without delay to perform its responsibilities under the supplement/purchase order and/or this Master Agreement in the accomplishment of all work, any additional costs incurred by Seller or Purchaser as a result of such failure to proceed shall be borne by Seller and Seller shall make no claim against Purchaser for such costs.

26.2 If Seller and Purchaser cannot resolve a dispute within ten (10) calendar days following written notification by either party of the existence of said dispute, then the following procedure shall apply:

A. Seller and Purchaser agree to resolve such matters through submission of their dispute to the Executive Director of ITS, who shall reduce his/her decision to writing and mail or otherwise furnish a copy thereof to the Seller and Purchaser within ten (10) calendar days after presentation of such dispute for his/her decision.

B. Purchaser may withhold payments on disputed items pending resolution of the dispute. The withholding of such payments shall not constitute cause for termination or suspension of the supplement/purchase order and/or this Master Agreement by Seller.

C. Disagreement with the Executive Director's decision by either party shall not constitute a breach under the terms of this Master Agreement. Such disagreeing party shall be entitled to seek such other rights and remedies it may have at law or in equity.

ARTICLE 27 COMPLIANCE WITH LAWS

Seller shall comply with, and all activities under a supplement/purchase order and this Master Agreement shall be subject to, all Purchaser policies and procedures of which Seller has

If Seller is unable or unwilling to comply with the new policy, the parties (Seller and Purchaser) agree to enter into discussions in an attempt to reach an amicable resolution. In the event a mutual agreement is not reached, both Microsoft and the Purchaser shall be released from their obligations under the particular supplement.

Seller understands and agrees that the EPL administrative fee is the responsibility of the Seller and is not to be charged to the Purchaser in the form of a separate line item. Seller agrees to remit its payment of the administrative fee to ITS each quarter within thirty (30) calendar days of the invoice date (hereinafter referred to as "Due Date"). It is understood and agreed by the parties that in the event Seller fails to submit its Marketing/Sales Report within fifteen (15) calendar days following completion of a quarter or in the event Seller fails to remit its payment of the quarterly administrative fees by the Due Date, Seller will be immediately suspended from participation in the EPL until such time as the Marketing/Sales Report is received by ITS and all outstanding administrative fees have been paid in full.

ARTICLE 43 LIABILITY ISSUES

The recipient agrees to the following required use of American Iron, Steel, and Manufactured Goods of Section 1605 of the American Recovery and Reinvestment Act and in accordance with 2 CFR §176.140 when awarding Recovery Act funds for construction, alteration, maintenance, or repair of a public building or public work that does not involve iron, steel, and/or manufactured goods covered under international agreements, if applicable:

(a) *Definitions.* As used in this award term and condition—

(1) *Manufactured good* means a good brought to the construction site for incorporation into the building or work that has been—

(i) Processed into a specific form and shape; or

(ii) Combined with other raw material to create a material that has different properties than the properties of the individual raw materials.

(2) *Public building and public work* means a public building of, and a public work of, a governmental entity (the United States; the District of Columbia; commonwealths, territories, and minor outlying islands of the United States; State and local governments; and multiState, regional, or interstate entities which have governmental functions). These buildings and works may include, without limitation, bridges, dams, plants, highways, parkways, streets, subways, tunnels, sewers, mains, power lines, pumping stations, heavy generators, railways, airports, terminals, docks, piers, wharves, ways, lighthouses, buoys, jetties, breakwaters, levees, and canals, and the construction, alteration, maintenance, or repair of such buildings and works.

(3) *Steel* means an alloy that includes at least 50 percent iron, between .02 and 2 percent carbon, and may include other elements.

(b) *Domestic preference.*

(1) This award term and condition implements Section 1605 of the American Recovery and Reinvestment Act of 2009 (Recovery Act) (Pub. L. 111–5), by requiring that all iron, steel, and manufactured goods used in the project are produced in the United States except as provided in paragraph (b)(3) and (b)(4) of this section and condition.

(2) This requirement does not apply to the material listed by the Federal Government as follows:

[*Award official to list applicable excepted materials or indicate "none"*]

(3) The award official may add other iron, steel, and/or manufactured goods to the list in paragraph (b)(2) of this section and condition if the Federal Government determines that—

(i) The cost of the domestic iron, steel, and/or manufactured goods would be unreasonable. The cost of domestic iron, steel, or manufactured goods used in the project is unreasonable when the cumulative cost of such material will increase the cost of the overall project by more than 25 percent;

(ii) The iron, steel, and/or manufactured good is not produced, or manufactured in the United

States in sufficient and reasonably available quantities and of a satisfactory quality; or

(iii) The application of the restriction of section 1605 of the Recovery Act would be inconsistent with the public interest.

(c) *Request for determination of inapplicability of Section 1605 of the Recovery Act*.

(1)(i) Any recipient request to use foreign iron, steel, and/or manufactured goods in accordance with paragraph (b)(3) of this section shall include adequate information for Federal Government evaluation of the request, including—

(A) A description of the foreign and domestic
iron, steel, and/or manufactured goods;

(iii) The cost of iron, steel, and/or manufactured goods material shall include all delivery costs to the construction site and any applicable duty.

(iv) Any recipient request for a determination submitted after Recovery Act funds have been obligated for a project for construction, alteration, maintenance, or repair shall explain why the recipient could not reasonably foresee the need for such determination and could not have requested the determination before the funds were obligated. If the recipient does not submit a satisfactory explanation, the award official need not make a determination.

(2) If the Federal Government determines after funds have been obligated for a project for construction, alteration, maintenance, or repair that an exception to section 1605 of the Recovery Act applies, the award official will amend the award to allow use of the foreign iron, steel, and/or relevant manufactured goods. When the basis for the exception is nonavailability or public interest, the amended award shall reflect adjustment of the award amount, redistribution of budgeted funds, and/or other actions taken to cover costs associated with acquiring or using the foreign iron, steel, and/or relevant manufactured goods. When the basis for the exception is the unreasonable cost of the domestic iron, steel, or manufactured goods, the award official shall adjust the award amount or redistribute budgeted funds by at least the differential established in 2 CFR 176.110(a).

(3) Unless the Federal Government determines that an exception to section 1605 of the Recovery Act applies, use of foreign iron, steel, and/or manufactured goods is noncompliant with section 1605 of the American Recovery and Reinvestment Act.

(d) *Data*. To permit evaluation of requests under paragraph (b) of this section based on unreasonable cost, the Recipient shall include the following information and any applicable supporting data based on the survey of suppliers:

L. 111– 5) (Recovery Act) as required by Congress and in accordance with 2 CFR 215.21 "Uniform Administrative Requirements for Grants and Agreements" and OMB Circular A–102 Common Rules provisions, recipients agree to maintain records that identify adequately the source and application of Recovery Act funds. OMB Circular A–102 is available at *http://www.whitehouse.gov/omb/circulars/a102/a102.html*.

(b) For recipients covered by the Single Audit Act Amendments of 1996 and OMB Circular A–133, "Audits of States, Local Governments, and NonProfit Organizations," recipients agree to separately identify the expenditures for Federal awards under the Recovery Act on the Schedule of Expenditures of Federal Awards (SEFA) and the Data Collection Form (SF–SAC) required by OMB Circular A–133. OMB Circular A–133 is available at *http://www.whitehouse.gov/sites/default/files/omb/assets/OMB/circulars/a133_compliance/2013/pt6.pdf*. This shall be accomplished by identifying expenditures for Federal awards made under the Recovery Act separately on the SEFA, and as separate rows under Item 9 of Part III on the SF–SAC by CFDA number, and inclusion of the prefix "ARRA" in identifying the name of the Federal program on the SEFA and as the first characters in Item 9d of Part III on the SF–SAC.

(c) Recipients agree to separately identify to each subrecipient, and document at the time of subaward and at the time of disbursement of funds, the Federal award number, CFDA number, and amount of Recovery Act funds. When a recipient awards Recovery Act funds for an existing program, the information furnished to subrecipients shall distinguish the subawards of incremental Recovery Act funds from regular subawards under the existing program.

(d) Recipients agree to require their subrecipients to include on their SEFA information to specifically identify Recovery Act funding similar to the requirements for the recipient SEFA described above. This information is needed to allow the recipient to properly monitor subrecipient expenditure of ARRA funds as well as oversight by the Federal awarding agencies, Offices of Inspector General and the Government Accountability Office.
