

## REQUEST FOR PROPOSALS

The City of Biloxi is requesting proposals from qualified engineering firms for the design and construction inspection for a Highway 90 pedestrian overpass. The project will provide improved pedestrian crossing and safety across Highway 90 for pedestrians trying to access the downtown Biloxi area.

The project will include a pedestrian overpass that crosses both lanes of highway 90 as well as both landings and transitions into pedestrian walkways. The project should also appropriately accommodate growth with the city's downtown comprehensive plan.

This project may or may not require right-of-way acquisition. Therefore, survey work and ROW identification must be included in the scope of services.

Firms or individuals proposing to furnish such professional services should submit a statement of their qualifications and experience. (An original plus four copies).

Proposals will be evaluated by a consultant selection committee on the basis of the following criteria and ranked by an assigned point system.

The following criteria apply:

### Qualifications – 50%

- Technical competence of staff and principals, as well as satisfy qualifications for design professionals
- Familiarity with the local street system and traffic flow, both pedestrian and vehicular
- Proximity to the project locations

### Experience – 25%

- Previous experience with street and traffic programs and projects similar to that as proposed
- Experience of the consultant with similar work completed during the past five years
- Past performance including timelines, cost parameters and construction phase projects

### Capacity for Performance – 25%

- Ability to perform in a timely fashion
- Personnel resources and company infrastructure

Firms will be evaluated and ranked according to the above criteria. The City will

negotiate compensation with the highest ranked firm or firms depending on the proposed projects. One firm may be selected for all or separate firms for each project or a combination thereto. The method of payment will be based on hourly rates with an upset lump sum amount and paid percentages as work is completed.

Sealed proposals will be received until 10:00 a.m., March 11, 2015. Proposals should be sealed and properly labeled **CONSULTANT PROPOSALS – HIGHWAY 90 PEDESTRIAN OVERPASS, CITY OF BILOXI** and shall be forwarded to:

City of Biloxi  
Mayor's Office  
City Hall 2<sup>nd</sup> Floor  
140 Lameuse Street (39530)  
P.O. Box 429  
Biloxi, MS 39533-0429

The City of Biloxi reserves the right to reject any or all proposals, to waive any or all proposals, and to waive any irregularities or informalities in the proposal process. The proposals will be opened at the aforementioned time and date in the City Council Chambers, Second Floor, City Hall at 140 Lameuse Street.

Published by order of the Municipal Clerk, this the 29<sup>th</sup> day of January 2015.
