

Amendment 3
Request for Qualifications
For Artificial Reef Mapping Program
RFQ#15-001

Amendment was made to “Attachment A - RFQ Form” for an additional project line and moving signature line.

Approval was granted to modify the “Attachment A – RFQ Form” to reflect the following:

1. Addition of a fourth project line if necessary
2. Making necessary adjustments to move the signature line to the first page (so the form is one page and not two pages).
