\*\*\*\*\*

The HP Manufacturer's IT Hardware EPL 3760 Website is now available for use. However all categories are not approved at this time.

Sellers for this group are approved to sell the following categories:

- Desktop-based Computers
- Mobile-based Computers
- Engineering and GIS-Level Workstations
- Desktop Monitors
- Printers/Scanners
- Large Format Printers and Scanners/Plotters
- Interactive Devices (whiteboards, voting devices, displays)
- Large Displays
- Thin Client Systems

NOTE: All resellers except Toshiba Business Solutions of MS are approved to sell the above categories of product. Toshiba is only approved for the Printers/Scanners and Large Format Printers and Scanners/Plotters categories.

We are working with the HP team on the price lists for the remaining categories. As these lists are approved, we will update the HP Reseller Group page and send an e-mail to the group.
