

**Request for Qualification
Contracted Targeted Case
Manager - Oxford**

The North Mississippi Regional Center is currently accepting applications for the position of contractual **Targeted Case Manager (TCM)**. Employees will receive Person Centered Thinking and Person Centered Facilitation training along with other essential training for accurate job efficiency. TCM offers a choice of services and provides and links people to resources in the community. TCM coordinates and monitors services through contact with the person/legal representative/family and monitors the implementation of the Plan of Services and Supports (PSS) and all Activity Support Plans.

Minimum Requirements: Bachelor of Social Work or an IDD related field from an accredited school of higher education, at least two years of experience in serving persons with IDD, access to an official transcript from school of degree, and two favorable character witnesses. Preference will be given to candidates with past work experience as a Social Worker, Case Manager, or IDD specialist. Valid driver's license and at least liability insurance is required.

For an application, contact the North Mississippi Regional Center's Human Resources office, (662) 513-7772. Applications must be received by May 3, 2016.

Publication: April 20 through May 3, 2016.
