HARDEN contract

TERMS	1% 10 days, net 30. All prices FOB, McConnellsville, NY. All prices are subject to change without notice. Possession of this price list does not constitute authority to purchase.
CANCELLATIONS	Unless approved by our office, cancellations will not be accepted on any order which has been placed in production. Where cancellations are accepted, and received in writing a restocking charge will be assessed.
WARRANTY	<ol style="list-style-type: none"> 1. Harden warrants standard catalog casegoods for ten years from the date of shipment against defects in workmanship when put to ordinary use. This warranty does not cover damage or injury caused by unreasonable or abusive use, by failure to provide necessary or reasonable care, by accident, alteration, tampering or negligence by anyone other than Harden. Due to variations in color, texture and grain, the products are not warranted against such variation. 2. Harden warrants standard seating from the catalog to be free of defects in workmanship under normal single shift service for a period of five years from date of shipment. While we utilize the finest upholstery fabrics available, we cannot guarantee any fabric for wearability or color fastness. Similarly, variations in fabric color cannot be avoided. We cannot be responsible for variations beyond a reasonable commercial match. If an exact color match is required, a cutting of the fabric should be submitted-with your order. Items ordered after original order must be matched with the original fabrics dye lot. If this is not possible due to dye lot availability, then exact color match cannot be guaranteed. 3. It is not recommended to place glass tops on solid wood tops. This will create a moisture trap that could damage the wood surface. The use of glass tops will void the product warranty should structural damage occur. 4. Once a COM is inspected and accepted, Harden assumes no responsibilities for its overall performance flammability, normal durability, colorfastness, or any other quality after upholstered on Harden frames.
DAMAGED OR DEFECTIVE MERCHANDISE	<p>We strive to produce a fine quality product and to deliver it to our customers with the utmost care. Should problems occur, however, we will do our best to resolve them promptly and completely. In order to avoid any misunderstanding we offer the following guidelines:</p> <ol style="list-style-type: none"> 1. Damaged or defective merchandise must be reported to our Customer Service Department in writing no later than 10 days from original shipping date. 2. Should any item on our truck be damaged, our driver has the authority to return it for prompt repair or replacement. 3. We reserve the right to determine the most appropriate means of resolving a claim involving damage or defective merchandise. 4. We cannot assume responsibility for damage that occurs once merchandise leaves our trucks. 5. Local repair charges will not be accepted unless approved in advance, by Harden Contract. 6. In the event of a problem, we will assume full responsibility for transporting the merchandise between our factory and the delivery point on our trucks. We cannot assume responsibility for any secondary delivery costs to and from your customer, and will not accept the cost of returning merchandise to our factory via another carrier.
DESIGNS	All dimensions are approximate. The products shown in our catalog are, and remain, our property, and we reserve exclusive right to manufacture the items shown. We reserve the right to make changes in our designs, details, and dimensions without notice.
ORDER ACKNOWLEDGEMENT	<ol style="list-style-type: none"> 1. Order acknowledgments, indicating final production specifications, will be made promptly. It is your responsibility to check the acknowledgments for errors. Each order will be checked and acknowledged by Harden Contract. Customers should check each acknowledgement for accuracy and immediately notify Harden of any discrepancies in writing. This printed acknowledgement is the final agreement between Harden and the customer, superseding all previous communications regarding the order. We cannot accept telephone orders without a confirming purchase order. 2. <u>Orders will not be released for production until all information is complete (i.e. finish selection, fabric description, etc.).</u>
SHIPPING	<ol style="list-style-type: none"> 1. Unless otherwise specified, we will ship your order complete, as ready, on our company trucks. We reserve the right however, to route shipments via common carrier where we deem appropriate. 2. Shipments will normally be made to your place of business or standard receiving address. However, we may agree to deliver your order directly to the job site. In such cases, we must insist that the delivery location be fully accessible to a tractor-trailer, and that you provide the labor necessary to unload and place the merchandise. 3. Harden Furniture has made no provision for storage. If the customer is unable to accept delivery of furniture as scheduled, the customer has sole responsibility to provide new shipping instructions, and to accept any storage or transportation costs related to the delay. 4. IMPORTANT: Make certain entrances, elevators, etc. are adequate for large units. Our drivers are not responsible for delivery to anywhere other than a building receiving area. Special Note:
MONITOR PLACEMENT

Placement of a monitor directly above the motor housing in the sit-stand desks may cause malfunction of the monitor. Magnets inside the motor may interrupt the picture on the monitor, depending on the distance and type of monitor. If this is the case, the problem may be solved by placing an iron plate/tube or another magnetic material, somewhat larger than the motor housing, between the motor and the desk top.
