

ADDENDUM NO. 1
TO
REQUEST FOR PROPOSALS
FOR
DISASTER DEBRIS REMOVAL
JEFFERSON DAVIS COUNTY, MS

Clarifications below are to be considered as amendments to the RFP:

1. **Regarding Liquidated Damages** – After completion of the initial pass the county will consider waiving this requirement at such time that Contractor, Monitor, and County Officials determine that 1,000 cy per day is no longer possible.
2. **Regarding Local Tipping Fees** - The \$3.00 local tipping fee applies to only the volume of debris finally disposed of in the local rubbish facility. This fee will not be assessed to materials stored for reduction or transport to out of county landfills.
3. **Regarding Cover Material at Rubbish Facility** – Sufficient and suitable cover material is readily available between the TDMS and County Rubbish Facility and will be made available to the Debris Removal Contractor for their use in covering debris finally disposed of at this location.
4. **Regarding Clearing and Grubbing of the TDMS** – compensation for this item of work is considered part of Item 3 - “Operate Temporary Debris Management Site - Includes Clearing, Preparation of Site, Segregation of Debris, Restoration of Site and Closeout”. Vegetative material resulting from the clearing item of work shall be disposed of by burning at no additional cost. An additional 48 hours will be added in consideration of the need to clear the TDMS.
5. **Regarding Restoration of TDMS** – Contractor is required to obtain a permanent stand of Byhalia Grass cover on the disturbed area when work is completed.
6. **Regarding Licensure** – A Mississippi Contractor’s License is not required as it is anticipated that Federal Funds will be involved.
7. **Regarding White Goods** – Item 20 White Goods can be delivered to any approved disposal/recycling location.
8. **Regarding Estimated Quantities** – The proposer should make their own estimates of the quantity of each item.
9. **Regarding Proposal Form** - On the price proposal form the (page 20) the word “Board” should be considered a typographical area. The proposer should list their State and Zip Code on this line.
10. **Regarding Minority Participation Goals** - This is no minority goal set for this project and the Proposed Subcontractor Form (page 23) should be completed regardless of the subcontractor’s status as a MBE/DBE.
11. **Regarding Electronic Submittal** - Due to the COVID-19 pandemic, Jefferson Davis County has decided to receive Disaster Debris Removal Proposals electronically. Electronic proposals in pdf format will be received at purchasing@co.jefferson-davis.ms.us until 10:00 a.m. CDT, April 23, 2020.
