

Allsteel®

Daybook™

A black, round, high-top table with a black metal frame. On the table, there are two books stacked on top of each other. The top book has a white cover with a small container on top. The bottom book has a red cover with the word "PURPLE" visible. A small black object, possibly a pen holder or a small container, is also on the table.

A black, high-top stool with a black metal frame and a black seat. The stool is positioned in front of a wooden cabinet. The cabinet has a shelf with a clock, books, and a box of snacks.

A light-colored wooden cabinet with a shelf. On the shelf, there is a round clock with a blue face, a stack of books, a small white cup, and a box of snacks. The cabinet is positioned against a wall with a whiteboard and a window.

A black planter box with two levels. The top level contains a white vase and a pink vase with a plant. The bottom level contains a green plant. The planter is positioned on a wooden shelf next to a window.

It Takes A Village

Daybook is an amazingly versatile, light-scale partition that creates an array of neighborhood configurations that equip a high-performance, welcoming workplace. It enables you to create an atmosphere of creativity and collaboration and comfort.

Experience the impact of a structure that both divides and unites, that gathers as well as shelters. Daybook provides the central ingredient for a village of workplace settings that invite you to feel empowered to work effectively.

Community Integration

Daybook unifies a diverse range of settings using a portfolio of components that deliver functionality and convenience. The spaces you need, the tools at your fingertips.

A Complete Workplace

Casual and Comfortable

First Impression Welcoming

Stylish Division

A palette of materials and finishes creates boundary elements that both inspire and define.
Daybook fashions a workplace where the partitions become welcome contributors to creativity.

Accommodating Many Uses

The Team Gathers

An Invitation to Productivity

Spaces Creating Place

Blend a warm, welcoming space with a sense of casual comfort. Daybook helps create places for touching down, concentrating, and team collaboration, resulting in compelling workplace neighborhoods — places that invite.

WELCOME!

- 20% open doors in the lounge
- 100% productivity in the new collaboration zone
- 50% time in the lounge zone
- 3 x 4 PM conference during which all work done

Versatile Choices

Daybook provides an array of components to create workplaces that both perform as well as impress.

Swap the panels in or out on both sides to adapt to functional or aesthetic needs.

Fabric Panel

Metal Slotted Panel

Laminate Shelf

Steel Planters

Foot

Laminate Bookcase

Create the perimeter of a space for casual gathering, for preparations and debrief, for taking a moment to connect.

Teams need tools and resources at the ready, integrated into their workplace neighborhoods.

Neighborhoods Become a Village

Daybook bays are the sectionals that enable the creation of both, more intimate worksettings, as well as larger divisions of the workplace. Using as few as two bays or up to six bays, your setting can expand or contract to deliver the ideal form.
