Project Details**1. Describe the commodity/service that the agency/institution is seeking to procure:**

MOSAIQ® Smart Clinic is a software application that integrates with the MOSAIQ® electronic health records (EHR) currently utilized by UMMC for oncology and helps with processing and patient tracking, approval worklists, and patient synopsis. This application will help improve patient workflows, process efficiencies, department communication, and clinicians' time on patient care

2. Explain why the commodity/service is the only one (1) that can meet the needs of the agency/institution:

SmartClinic was made specifically for MOSAIQ® and provides intuitive oncology workflow management, enabling enhanced process visualization and streamlined care coordination throughout the entire patient journey.

3. Explain why the source is the only person or entity that can provide the required commodity/service:

Elekta Inc. is the sole source provider for MOSAIQ SmartClinic components in North America. See supporting letter from Elekta Inc., Attachment A.

4. Explain why the amount to be expended for the commodity/service is reasonable:

The estimated amount to be expended is for the purchase of Oncology Electronic Healthcare Records Workflow Management Software Subscription is estimated to be **\$86,230.00 (with extended warranty)**. Please be advised that UMMC will determine if additional enhancements, upgrades, support, or equipment are within scope during the certification period and may increase the spending authority accordingly. Should Elekta, Inc. change their name during this certification period, then UMMC will determine if a recertification is necessary. This amount is within the expected price range for these products.

5. Describe the efforts that the agency/institution went through to obtain the best possible price for the commodity/service:

Pricing is compared against available market intelligence and identified discounts are pursued where applicable.
