Next

Taking advantage of warranty protection has never been easier! You can now register your LION Protective Gloves® purchases quickly and easily over the Internet at [www.lionprotects.com/gloves-care-and-use](http://www.lionprotects.com/gloves-care-and-use). The short online form also gives you the opportunity to give valuable feedback about the quality of our products and service.

We solicited feedback via warranty registration cards long before our certification to ISO 9001 required us to do so. While the warranty registration cards fulfilled our ISO requirement, you had to fill out the card by hand and mail it back to us. We believe that you will find online registration more convenient.
