

AGA SYSTEMS LIMITED WARRANTY

AUTOMOTIVE BI-FUEL/COMPRESSED NATURAL GAS CONVERSION PRODUCTS

APPLICABLE TO PRODUCTS SOLD AND INSTALLED IN THE U.S.A.

Effective October 1, 2013

AGA Systems/Auto Gas America (AGA Systems) warrants the products sold by it (more specifically listed below) to be free from defects in material or workmanship in accordance with the following:

The warranty period commences on the day the vehicle on which the product was originally installed is delivered to the original purchaser by an installer certified by AGA Systems at the time of the installation. AGA Systems warrants that it will repair or replace, free of charge, any product which, under normal conditions of use and service, proves to be defective in material or workmanship and which is within the applicable warranty period listed below. This Limited Warranty DOES NOT COVER any labor costs incurred in the diagnostics of defects, removal or reinstallation of a parts or products, nor does this Limited Warranty cover any incidental or consequential damages or expenses. This Limited Warranty expressly excludes any parts or components connected to the high-pressure inlet side of the natural gas regulator. This Limited Warranty will be void if the product is installed by anyone other than an installer certified by AGA Systems or installed with any component or part not supplied with the product from AGA Systems.

In order for the Limited Warranty to be valid, the products covered by the Limited Warranty must be installed on a vehicle that was registered with AGA Systems by the installer through the AGA Systems Dealer Portal. In addition, the AGA Systems Product Registration Card must be submitted by the vehicle owner within ninety (90) days from the later of the installation date of the covered products or the delivery date of the vehicle on which the products are installed is delivered to the original purchaser. To obtain performance under this Limited Warranty, the vehicle must be returned to the AGA Systems certified installation facility where the product was originally purchased. A dated purchase receipt, repair order and other written proof that the product(s) is within the warranty period will be required to honor any claim under the Limited Warranty. Additional information may be obtained by contacting AGA Systems Support at 801-203-3989 or at support@agasystemsinc.com.

The Limited Warranty is limited to the owner of the original vehicle on which the products were installed and is not transferrable. Specifically excluded from this Limited Warranty are failures caused by misuse, negligence, modification, abuse, liquids in the natural gas/CNG supply used in the vehicle, improper application, improper installation or operation, substitution of any AGA Systems part or component by the installer or vehicle owner, failures caused by unauthorized service, use of unauthorized parts, failure to service the CNG systems properly and at recommended intervals (including filter replacement), installation by an installer not certified

by AGA Systems at the time of installation or installation not in strict accordance with the AGA Systems Installation Manual. Also excluded from this Limited Warranty are parts that are subject to normal wear and tear (e.g. filters, fuses, fittings, gaskets etc.).

TO THE EXTENT PERMITTED BY LAW, THIS LIMITED WARRANTY IS IN LIEU OF ALL OTHER EXPRESS AND IMPLIED WARRANTIES, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. AGA SYSTEMS DOES NOT ASSUME ANY RESPONSIBILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES. ALSO TO THE EXTENT PERMITTED BY LAW, THIS LIMITED WARRANTY SETS OUT THE EXCLUSIVE REMEDIES WITH RESPECT TO THE PRODUCTS COVERED BY IT. THIS LIMITED WARRANTY MAY NOT BE MODIFIED OR AMENDED IN ANY WAY EITHER IN WRITING OR VERBALLY.

LandiRenzo Limited Warranty

1.1 Who Is Covered

Landi Renzo warranty is limited to the original purchaser and any subsequent purchaser of the vehicle in

which the Landi Renzo system is installed. This limited warranty is secondary to all other warranties and

manufacturer recalls that may be in effect for the vehicle. Landi Renzo system must be installed by Landi

Renzo or a Landi Renzo Authorized Installation Center in order for this limited warranty to be valid. Ford

(per QVM bulletin Q185-R1) and Isuzu vehicles intended for conversions or alterations with Landirengo

USA products must be ordered to any Ford or Isuzu dealer with OEM Gaseous Prep-Package to be

covered under this warranty . (as required per Ford QVM bulletin Q185-R1).

1.2 Warranty Period and Coverage for Non-Emissions Landi Renzo USA Parts

The standard warranty period coverage for non-emissions Landi Renzo parts comprising the Landi Renzo

system is 3 years or 36,000 miles (whichever occurs first) after the “Warranty Start Date” of the vehicle.

The “Warranty Start Date” is the vehicle’s original in-service date as determined by the programming

date of vehicle PCM for CNG or the invoice date of the System Equipped Vehicle to the end user.

1.3 What Is Covered?

This warranty covers defects in materials and workmanship of the Landi Renzo parts after the Warranty

Start Date. The original OEM Warranty continues in force on all other vehicle components, except those

OEM parts replaced by Landi Renzo. For example, when the OEM fuel tank is replaced by the Landi

Renzo System fuel tank, the OEM warranty no longer applies to the installed Landi Renzo System fuel

tank. During the warranty period, Landi Renzo will repair, replace, or adjust – with no charge for labor,

diagnosis, or parts – any defective Landi Renzo parts on the vehicle or other OEM substantially damaged

areas on the vehicle that result directly from interaction with the defective Landi Renzo parts.

1.4 Emissions Warranted Parts

Emission control and emission related parts are covered by an emissions warranty for:

- 5 years / 50,000 miles (whichever comes first) for CNG and Bi-fuel (gasoline or CNG) powered vehicles

- 5 years / 100,000 miles / 3,000 hours (whichever comes first) for Dual Fuel (diesel/CNG) powered vehicles

Specified major emission control components listed below are covered under a long-term, high-cost emission warranty for:

- 8 Years / 80,000 miles (Whichever comes first)

- Catalytic Converter

- The electronic emissions control unit or computer (ECU)

- The onboard emissions diagnostic device or computer (OBD)

www.landiusa.com | Email info@landiusa.com

1.5 Outside Useful Life Warranty

For OUL (outside useful life) applications Landi Renzo components are covered by a long-term warranty

for:

- 2 years / 250,000 miles (whichever comes first)

1.6 Corrosion (Perforation only) Warranty Coverage:

Landi Renzo warranty period coverage for corrosion perforation is 5 years (unlimited miles).

1.7 What Is Not Covered:

- Any failures not directly related to the operation of Landi Renzo System parts
- Any part that has failed due to non-authorized modifications or alterations
- Any part not supplied or authorized by Landi Renzo
- Any failure due to vehicle not compliancy with Ford or GM/Isuzu guidelines
- Any part that has failed due to improper or negligent installation – refer to appropriate Landirengo USA product installation manuals
- Any part that has failed due to installation on a non-approved application
- Any part that has failed due to use of an improper fuel or refueling procedure

- Any part failures due to lack of recommended maintenance, improper operation, abuse, or collision damage
- Any part that has failed due to the application of corrosion protection

Landi Renzo limited warranty also excludes the following:

- Normal wear and tear including noise, vibration, cosmetic conditions and other deterioration caused by normal wear and tear.

- Incidental or consequential damages arising from a vehicle failure or defects in the Landi Renzo

System including, without limitation, inconvenience, cost of transportation including rental vehicles and towing, telephone calls, meals, accommodations, loss of personal or commercial property, loss of pay, income, profits or business opportunities.

- OEM vehicle recalls or service campaign warranty claims negotiable on an incident-by-incident basis.

This warranty does not cover appearance items on any Landi Renzo parts that results from use and/or

exposure to the elements including, but not limited to rain, snow, excessive heat or cold, lightning, hail,

windstorm, earthquake, road salt, water or flood, surface corrosion, chips, dents, scratches, customer

neglect or normal wear and tear.

1.8 Service Fee(s): It is the customer's responsibility to deliver the vehicle to the nearest authorized

Landi Renzo Service Center for repair under warranty. If the vehicle is outside of the warranty period,

and the customer requests service at their facility, then the standard service call fee will be applied and

all repair/parts charges will be charged at the current charge rate.

1.9 Proof of Installation: Proof of installation date and vehicle mileage is required for repairs to Landi

Renzo System under this warranty.

www.landiusa.com | Email info@landiusa.com

1.10 Repair or Replacement Parts: Your authorized Landi Renzo Service Center will use new or remanufactured parts that are authorized by Landi Renzo when making warranty repairs to your Landi

Renzo fuel system.

1.11 Return of Failed Parts: In order for repairs to be covered under this warranty, your authorized

Landi Renzo Service Center is required to return all failed parts to Landi Renzo within 10 days of receipt

of the replacement parts.

1.12 Required Maintenance: The items listed on page 3 are the owner's responsibility and must be

carried out during the vehicle's periodic maintenance schedule. These items are in addition to the OEM

maintenance requirements.

1.13 Proof of Maintenance: Proof of latest maintenance date and vehicle mileage is required for repairs

for the Landi Renzo System to be covered under this warranty.

1.14 Emergency:

In the case of an emergency when a warranted part a warranty station is not reasonably available to the vehicle or engine owner, repairs may be performed at any available service

establishment, or by the owner, using any replacement part. Landi Renzo USA will reimburse the owner

for his or her expenses including diagnostic charges for such emergency repair or replacement, not to

exceed Landi Renzo's suggested retail price for all warranted parts replaced and labor charges based on

Landi Renzo's recommended time allowance for the warranty repair and the geographically appropriate

hourly labor rate. A vehicle or engine owner must keep receipts and failed parts in order to receive

compensation for warranted repairs reimbursable due to an emergency.

Note: The lack of availability of replacement parts or the incompleteness of repairs within a reasonable

time period, not to exceed 30 days from the time the vehicle or engine is initially presented to the

warranty station for repair, shall constitute an emergency.

M-TECH General Warranty

The M-TECH SOLUTIONS General Components Warranty warrants that the alternative fuel components and their installation for our EPA or CARB certified alternative fuel systems are free of defects in material and workmanship for a period of one (3) year or 36,000 miles (whichever comes first) from the date of original installation of the system by M-TECH SOLUTIONS or an authorized service facility. Only parts supplied by M-Tech Solutions are covered under this warranty program. The authorized service facility is responsible for Warranty claims for any components supplied and installed that were not purchased from M-TECH SOLUTIONS. The sole obligation of M-TECH SOLUTIONS, under the terms of this warranty, is limited to replacing or repairing any M-TECH SOLUTIONS supplied alternative fuel components, which under normal conditions of use and service, proves to be faulty due to any defect in material or workmanship. If M-TECH SOLUTIONS is unable to repair or replace the alternative fuel components installed by M-TECH SOLUTIONS or an authorized service facility after a reasonable number of attempts, M-TECH SOLUTIONS will provide a full refund of the purchase price from M-TECH SOLUTIONS. This warranty does not cover any travel expenses or labor costs incurred in the diagnosis of defects, removal or reinstallation of the equipment. M-TECH SOLUTIONS is not liable for any other contingent, special, consequential or similar losses, expenses or damages. See section "Warranty Limitations and Disclaimers" for other limitations.
