REARVIEW MIRROR

ATTACHMENTS ADD VERSATILITY.

The Cub Cadet Volunteer™ was designed while thinking ahead, making it the strongest choice out there. With more than 40 heavy-duty attachments, you'll be able to take on any task or terrain that comes your way. Optional add-ons like an electric bed lift or 26" off-road tires give you the tools to feel confident and safe in taking on an adventure anytime, anywhere.

Haul Gear Anywhere

The steel hood rack (A206) makes sure you never have to leave anything behind. With attached headlight guards, it mounts directly to the bumper and operator protection structure (OPS), still letting you open the hood with ease while carrying everything you need.

Stay Comfortable

The acrylic windshield (A200) mounts directly to OPS to protect you and your passenger from the elements. Even in the toughest weather you'll stay comfortable and protected.

Clear A Wider Path

The 72-inch super-duty blade (A70024) with angles up to 28 degrees, heavy-duty skid shoes and 14" of transport clears paths faster than average blades, which means you'll spend less time out in the cold.

Your Independent Dealer — Expert Service. Locally Owned.

The advice, selection and support you need to find the right fit is at your local Cub Cadet Dealer.

Electric Bed Lift (B212)

Push-button operation makes it easier and more convenient to get jobs done. Mounting hardware included. Electric accessory harness (B209) required.

Speedometer and Fuel Gauge (B70012)

Digital speedometer, fuel gauge, trip function and odometer.

Warn® 4,000-lb Winch and Mounting Plates (A70015)

4,000-lb. winch with remote control and steel cable. 3,500 lb mile marker winch also available. (A205)

Signal Lights (A239)

Bright and visible for turns, brakes, work and hazard.

Heavy-Duty Bed Liner (A70001)

Heavy-duty molded bed and tailgate liner protects the bed from scratches and wear. Bed mat also available. (A208)

Horn (B101)

Lightweight, 113db-rated horn mounts to the frame of the Volunteer in four simple steps. Electric accessory harness (B209) required.

Poly Roof (A70004)

Light and sturdy roof for protection from the elements.

Rearview Mirror (A203)

Large rearview mirror mounts to OPS. It can be used as a rearview or sideview mirror.

Acrylic Windshield (A200)

Mounts directly to OPS to protect operator and passenger from the elements.

14" Aluminum Rims And 26" Off-Road Tires (B235)

Set of four 14" aluminum rims and 26" heavy-duty, radial Goodyear® MTR tires.

Half Door (A70038)

For partial enclosure.

Light Bar (A70022)

Low-profile light bar has four 35-watt adjustable driving lights for added visibility.

Cub Cadet Utility Vehicles are intended for off-road use by adults only. They are neither designed nor equipped to be registered as motor vehicles for use on public roadways. Always use extreme caution when operating utility vehicles, and carefully follow all operating, maintenance and safety instructions and warnings. Please see the operator's manual and the warning labels posted on the vehicle itself for more details.

This brochure is for advertisement purposes only. The product depictions are not meant to be used or relied upon as a substitute for the safety and use information that is published in the respective operator's manual. Before operating the machine, read, understand and follow all instructions in the manual and on the machine. Specifications and programs are subject to change without notice.
